

The Press.

of permanent combination to keep up prices to a fictitious standard can be effected by the New York manufacturers.

Mr. Ruebeck and the War Question. Bellinger, Ruebeck, who desires that John Bull should desert against the United States, without any further delay, is a very small creature, in more ways than one.

As a lawyer, Mr. Ruebeck's paper is no lawyer. His practice, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

As a printer, Mr. Ruebeck's paper is no printer. His printing, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

As a politician, Mr. Ruebeck's paper is no politician. His politics, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

As a man of letters, Mr. Ruebeck's paper is no man of letters. His letters, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

As a patriot, Mr. Ruebeck's paper is no patriot. His patriotism, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

As a friend of the Union, Mr. Ruebeck's paper is no friend of the Union. His friendship, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

As a supporter of the Government, Mr. Ruebeck's paper is no supporter of the Government. His support, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

As a defender of the Constitution, Mr. Ruebeck's paper is no defender of the Constitution. His defense, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

LETTER FROM "OCCASIONAL." I think the temper of the American people, as exhibited during this rebellion, worthy of great praise. They have borne and borne—

Therefore, we attach not the slightest importance to this subject, and we have allowed it merely to repeat the inquiry at which we have arrived.

As a lawyer, Mr. Ruebeck's paper is no lawyer. His practice, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

As a printer, Mr. Ruebeck's paper is no printer. His printing, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

As a politician, Mr. Ruebeck's paper is no politician. His politics, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

As a man of letters, Mr. Ruebeck's paper is no man of letters. His letters, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

As a patriot, Mr. Ruebeck's paper is no patriot. His patriotism, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

As a friend of the Union, Mr. Ruebeck's paper is no friend of the Union. His friendship, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.

As a supporter of the Government, Mr. Ruebeck's paper is no supporter of the Government. His support, he is said to have left him, and he never has been seen with as much as would put the rent of his barister's chambers.
