SPECIAL NOTICES.

FOR THE CURE OF SCROFULA, CANCER, GOITRE, ULCERS, SKIN DISEASES, &c.,
JAYNE'S ALTERATIVE
STILL MAINTAINS ITS SUPERIORITY.

The unparalleled success which for twenty-five years has attended the use of JAYNE'S ALTERATIVE, enables the proprietors to recommend it to the afflicted with entire confidence, believing that it will effectually eradicate from the human system the diseases for whose cure it is designed, more promptly and thoroughly than any other remedy of its class. It has been found particularly beneficial in

CANCER AND CANCEROUS AFFECTIONS of all kinds, curing a majority of the cases in which it has been used, and oftimes after the failure of other remedies.

GOITRE OR SWELLED NECK.—In innumerable cases of this disease in which Jayne's Alterative has been perseveringly used, it has never been known to fail. All have been cured who have continued its use according to directions.

DROPSY AND DROPSICAL SWELLINGS.—Many physicians who have used the Alterative in diseases of this nature, consider it a specific, so great has been its success. It acts by increasing the powers of digestion, exciting the absorbents into healthy exercise, whereby the watery or calcareous depositions and all unnatural enlargements are reduced.

EPILEPSY, FITS, CONVULSIONS, are usually considered incurable, and yet experience has proved that the Alterative in conjunction with the Sanative Pills, will cure a majority of cases; it should be tried, therefore, by all who are subject to these terrible afflictions.

SCROFULA.—In all the forms of this disease, whether in that of Ulcerations of the Flesh or Bones, Enlargement of the Joints, Glands, Swellings, Eruptions, Tumors, &c., the Alterative has been found pre-eminently successful. It enters into and circulates with the blood, thus destroying the virus or poisonous principle from which these diseases originate.

SKIN DISEASES, of all kinds, Scald Head, Tetter, Salt Rheum, Ring Worm, Boils, Pimples, Blotches, Roughness of the Skin, &c., are readily cured by the Alterative.

RHEUMATISM AND NEURALGIA.—In chronic cases this Alterative, if perseveringly used, is generally successful. In Acute Rheumatism, Jayne's Liniment should be applied in connection, according to directions.

FEMALE COMPLAINTS.—In many affections peculiar to females, especially when arriving at maturity, or at the "change of life," the Alterative is unsurpassed by any other remedy. In Chlorosis or Retention, Irregularity and Leucorrhœa, the best results have always followed its administration.

COMPLICATED AND MIXED DISEASES, NERVOUS AFFECTIONS, DISEASES OF THE HEART, DYSPEPSIA, LIVER COMPLAINT, Constitutional Diseases, and diseases originating from a depraved or imperfect state of the Blood, are all cured by Jayne's Alterative; and while it is a fault in many medicines, that when they are removing the disease they are also prostrating the patient beyond recovery, the Alterative has no such drawback. While neutralizing the virus of disease at its very source, it sustains the strength of the sufferer; the union of *Disinfectant, Tonic and Deobstruent* properties in this medicine, and the fact that all these influences are blended harmoniously in its operation, distinguishing it from all other similar preparations. Let the afflicted give it a trial. Prepared only by DR. D. JAYNE & SON,

THE SUMMER MOON WAS SHINING
All in the purple sky;
My wife and I, we tossed about,
And could not close an eye.
I cursed and swore, she scolded me,
All through the weary night;
But 'twas enough to vex a saint,
The bedbugs' savage bite.
You may be sure I certain went
Next morn to Lyon's store,
And home in joyful triumph I
Th' Magnetic Powder bore,
Which quickly slaughtered every bug,
Mosquito, roach, and flea.
Lyon's Powder kills all insects. Lyon's Magnetic Pills are sure death to rats and mice. Sold everywhere.

☞ TO THE UNION AND LOYAL LEAGUES AND ASSOCIATIONS, AND LOYAL CITIZENS OF THE UNITED STATES:
PHILADELPHIA, May 25, 1863.
FELLOW-CITIZENS: By direction of the UNION LEAGUE of Philadelphia, the undersigned have the honor to invite your attention to the following Resolutions, to wit: *Resolved,*
"1. That the League will celebrate the approaching Anniversary of American Independence by appropriate ceremonies, at the Hall of Independence.)
"2. That all the Union Leagues and Associations in the United States be invited to participate in the celebration, and that they be requested to send deputations from their respective bodies for that purpose.
"3. That it be recommended that the deputies be authorized to represent their respective constituents in any action that may be deemed necessary and expedient to perfect the organization of the friends of the American Union and Government throughout the United States.
"4. That the Committee of Correspondence be authorized to prepare a circular letter, communicating these Resolutions to the Union Leagues and Loyal Citizens of the respective States, and to adopt such measures as may be necessary to carry them into effect."
For the first time in the history of our Country, the masses of the American people are now invited to commemorate the birth of the UNION, at the place where it was born:
To re-assert the great principles of the Declaration, that "All men are created equal, and are endowed by their CREATOR, with the UNALIENABLE RIGHTS of life, liberty, and the pursuit of happiness:"
To acknowledge our obligations to mankind, to maintain those principles as our fathers did, "with a firm reliance on the protection of DIVINE PROVIDENCE:"
To declare the INDIVISIBILITY of the AMERICAN UNION:
To declare the inflexible purpose of the American people, as GOD shall give them strength, to subdue the enemies of the Union, and re-establish and perpetuate the NATIONAL AUTHORITY, wherever it has been overthrown by treason or rebellion:
To declare to foreign nations, that while we desire peace with them, we shall hold them responsible for any encouragement they may give to the rebellion against the Government of the United States:
To give to history an appropriate expression of our gratitude to the patriot-armies and navy of the Republic; and
To declare our determination to sustain the constituted authorities of the Government now and hereafter, in all measures adopted and prosecuted by them for the suppression of the rebellion WITHOUT COMPROMISE WITH TRAITORS, as the only means of securing an honorable and lasting peace.
The Committee are gratified to announce that the PRESIDENT OF THE UNITED STATES has accepted an invitation to participate in the proceedings.
Fellow-citizens of the United States, we call upon you to co-operate with us in this FIRST NATIONAL CELEBRATION, and to adopt such measures as you may deem proper, to make it worthy of a great people who have inherited, and now possess and appreciate, the blessings of liberty.

VARNISHES.

PATENT PARAFFINE VARNISH.
CAUTION!
We hereby caution the Paint and Oil and Ship Chandlery trade, and consumers of our PATENT PARAFFINE VARNISH, against purchasing from one J. B. McMULLIN, of 149 FRONT Street, Philadelphia, as he ceased to act as Agent for us, or SAMUEL PAGE & SON, of Boston, in January last.
He has imposed upon the trade and consumers a worthless imitation of our PARAFFINE VARNISH, commencing the deceitful and fraudulent practice *previous to our annulment of his agency.*
MESSRS. HULBURT & CO.,

With all the Correspondence, Contracts, &c., &c., and Caricatures in Black, by
Carious H. OIL, Esq.
In calling the attention of the public to this affair on BLACK PARAFFINE VARNISH,
the subscribers have only time to say that it is very interesting to those interested, and unworthy the attention of any body else, further than it being the refutation of a lie over the signature of George S. Page & Bro., Eastern Varnish Peddlers; simply, because they object to our manufacturing and selling a Varnish in Philadelphia, in every way superior, for one-half the money than their so-called Patent Paraffine Varnish. Any one preferring Pages' to ours, can buy it of us, with "sworn bids," and half dozen other parties in town, without putting us to expense; 25 cents alderman fees.
As the trade of Philadelphia, who have so liberally patronized us since January last, have been thoroughly aware of what they were buying, it is not supposed that they will be led by "Page's Appeal" to pay extra price, extra freight, extra cartage, extra package money, for an article in New York, when they can buy the G. P. IRON BRILLIANT at home, at less purchase money, without these charges, a better quality, any more than a painter would pay for *turpentine,* at its present price, when *benzine* answers his purpose. Persons wanting Page's Varnish, residing in distant portions of the city, can be furnished with the names of parties selling it in their locality, free of charge, by applying by note to this office. CRESSON SPRINGS.—THIS DELIGHTFUL SUMMER RESORT, immediately on the line of the Central P. R. R., located on the summit of the Allegheny Mountains, 2,300 feet above the level of the sea, will be open for the reception of visitors on the 10th day of June, 1863, and will be kept open until the 1st of October.
The water and air at this point possess superior attractions. The analyses made in the laboratory of Professors Booth, Garrett, and Camac, of Philadelphia, show the existence of valuable mineral elements, the waters of some of the springs being of the iron or chalybeate class, and others containing saline or aperient salts. Pure mountain water abounds; and the guests will also be supplied with mineral waters from other springs, such as Blue Lick, Bedford, and Saratoga Waters.
Ample facilities for bathing have been provided, new plunge and douch baths erected, and Hot and Cold Baths can at all times be obtained.
The grounds, walks, &c., have been highly improved, and are of a varied and picturesque character.
There is at Cresson Springs a Telegraph Office and two daily mails from Philadelphia and Pittsburg and intermediate points.
Excursion Tickets can be obtained at the Office of the Pennsylvania Railroad Company, corner of ELEVENTH and MARKET Streets.

The Bedford Railroad will be completed in a few days to Mount Dallas Station, 6½ miles east of Bedford, and from that point passengers will be conveyed to the Springs in first class coaches.
Ample arrangements have been made to supply dealers and individuals with BEDFORD MINERAL WATER, in well-steamed casks, at the following rates, at the Spring:
For Barrel..........$3 00
Half Barrel..........2 00
All orders addressed to E. L. L. ANDERSON, BEDFORD, promptly filled, and Water sent to any part of the country. It is desirable that particular directions be given for marking barrels.
Persons wishing rooms, and any information concerning the Springs, will please address the Proprietors, Bedford Springs.
