                                                                                                                                                                                                                                                                 DELAWARE COUNTY COTTON

FACTORIES FOR SALE.—The valuable Cotton Factories, known as AVONDALE and STEATHAYEN, situated on Grum Creek, Delaware County, one mile from Westdale Station, West Chester Railroad, two miles from Leiperville, and three from Chenter, now occupied by Simeon Lord, are offered for sale. "Avondale" includes a stone mill 62 by 47 feet, 3% stories high, with dry house, picker house, twenty-two stone tenements, and about 9 acres of land, in Springfield and Nether Providence townships. "Strathayen" includes a frame cotton mill, 52 by 39 feet, 2% stories high, with picker house, twenty-two stone tenements, and about 4 acres of land, in Nether Providence. The properties will be shown by Mr. Lord, on the premises. Early possession can be given. For terms inquire of SAMUEL FIRED,

M. W. corner of FRONT and WALNUT Streets,

Philadelphia.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              SALE OF AMERICAN AND IMPORTED DRY GOODS, HOOP SKIRTS, STOCK OF GOODS, &c., BY CATALOGUE,

ON WEDNESDAY MORNING,
August 5th, commencing at 10 o'clock precisely.
                                                                                                                                                                                                              - 109,008 58

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             TO THE DISEASED OF ALL

ULLASERS.—All sents and shronic diseases sured,
by special guarantee, at 1220 WALNUT Street,
Philadelphia, when desired, and, in ease of a fall-
ure, no charge is made.

Extensive and commodious arrangements have
been recently made for boarding patients from a
distance at reasonable prices.

Prof. C. H. BOLLES, the founder of this new
practice, has associated with him Dr. M. J. Gallio-
WAY. A pamphlet containing a multitude of cer-
dificates of those cured; also, letters and compil-
mentary resolutions from medical mea and others,
will be given to any person free.

M. B.—Medical men and others who desire a
knowledge of my discovery can enter for a fall
source of lectures at any time.

Gousnitation free.

DES. BOLLES & GALLOWAY.

accordance with the provisions of the tenth article threaf.

The shall be an additional section to the third article of the Constitution, to be designated as section four, as follows.

Section 4. Whenever any of the qualified electors of this Commonwealth shall be in any actual military service, under a requisition from the President of the United States, or by the authority of this Commonwealth, such electors may exercise the right of suffrage, in all elections by the citizens, under such regulations as are, or shall be, prescribed by law, as fully as if they were present at their usual place of election.

There shall be two additional sections to the eleventh article of the Constitution, to be designated as sections eight and nine, as follows:

Section S. No bill shall be passed by the Legislature, containing more than one subject, which shall be clearly expressed in the title, except appropriation bills.

Encrion S. No bill shall be passed by the Legislature granting any powers or privileges, in any case, where the authority to grant such powers or privileges has been, or may hereafter be, conferred upon the courts of this Commonwealth.
