Subscribers can have Coupon Bonds which are pays- ble to bearer and issued for \$00, \$100, \$500, and \$1,000, or Registered Bonds of similar denominations, and in addition \$6,000 and \$10,000. These "Five-Twenties" cannot be taxed by States, cities, towns, or counties, and the Government tax on them is only one and a half per cent, on the amount of income, when the income exceeds six hundred doi- larse per annum. Income from all other investments, such as motigages, railroad stocks, bonds, &c., must pay from three to five per cent. tax on the income. Banks and Bankers throughout the country will con- tinue to dispose of the Bonds, and all orders by mail or otherwise properly attended to. The Treasury Department having perfected arrange- ments for the prompt delivery of Bouds, Subscribers will be enabled to receive them at the time of subscri- bing, or at farthest in FOUR days. This arrangement will be gratifying to parties who want the Bonds on pay- ment of the money, and will greatly increase the sales. JAAY COOKES .
