The Twentieth-ward Colonization.
Yesterday morning Michael Marin, John Gaughan, James Hollman, Patrick Cannon, Patrick Finnegan, and Win. Kenrick, who were arrested at the house of Cheries H. Smith, on Twelith street, near Jefferzon, in the Twentieth ward, on the affidavit of Theophilus Hartly, as mentioned yesterday, were arraigned for a hearing.

Mr. Wm. B. Mann, District Attorney, appeared for the prosecution, and Mr. Charles W. Brooke for the defence.

The prosecution called one witness, to show probable cause of a conspiracy to violate the election laws, reserving other evidence of a material character to be produced at the trial. Charles H. Smith was called to the stand. He testified that he kept house on Twelfth, below Jefferson streets. One week ago, to-day, a person came to his house and arranged with him to take five or six men to board for a short time. They were to pay three dollars each per week, and to eat but one meal; they, however, ate most of their meals there. Some of the men were from Chester, and they, with all the others, weith home last Saturday, and did not return to the house, until Monday. Washington Gheer made himself reeponsible for the board of the men. Witness understood that the men were laborers who were employed upon the park. He could not say, of his own knowledge, whether their names had been put upon the extra assessment list in the Twentieth ward. September 21 1863. FARM FOR SALE IN CHESTER
