by corrupt Americans, I am sahamed to say, this the emancipation of the slave would take away from them the market of labor, and bring the whole South North, which is exactly the opposite of the fruth, that it would take all the colored North South; but they have been stuffed, and under the most offensive forms, and for the purpose of making them mischiev-ous, with these notions, and with the sting of the draft just about to be put on them. There was a wild, furious uprising of the Irish people. It was very cruel and wicked; but so cruel and wicked a thing was never done with so much excuse for the wicked ac-tors as this. They were blind, ignorant, misled crea-tures, who thought they were fighting, not so much against the blacks as against the blacks for them-selves. When Archbishop Hinghes was called upon to address them, the street before the Archepisso-pal residence was alive with the crowded thousands. His speech was reported, and he never intimated that be thought anybody else was engaged but the Irish-men, whom he was blaming in his very paternal and ferrile way for doirg such naughty things. [Ohcers.] But what was the conduct, on the other hand, of the ditizens of New York I Between \$40,000 and \$50,000 were subscribed to relieve the wasts of these people in a few days, and a large committee was apointed from the most respectable merchants—every one of them men who have beem my opponents from the beginning, intensely Conservative, or what we call old Hunkerinh—[laughter]—but who have had their eyes opened by this lot, and plucked up noble and generous instincts—and a body of lawyers volun-tered to receive and put in legal form the com-plaints of every colored man who had lost property, and there have been from \$145,000 to \$150,000 involved in the complaints already made and making, and it has cost the colored people not one single cent. Lately the Union and Emancipation Society en-tertained Rev. H. W. Beecher at breakfast, at the Albion Hotel, Manchester. The company included a large number of gentlemen from the neighborhood and irom a distance. The Mayor of Rochdale took the chair, and there were present, among others, Professor F. W. Newman, Mr. J. O. Dyer, Mr. Hor-ton (Dublin), Rev. Dr. Massie, Mr. F. Taylor, Rev. T. G. Lee, Mr. Ernest Jones, Rev. Dr. Parker, &c. Letters of apology for absence had been received from Mr. Bright, M. P., Mr. W. E. Forster, M. P.; Mr. P. A. Taylor, M. P.; Mr. T. Barnes, M. P.; Mr. Coningham, M. P.; Mr. C. Robertson (Liverpool); Mr. Duncan McLaren, Professor Newth, and Profes-sor H. D. Rogers.
Mr. J. Taylor moved a resolution expressive of thanks and good wishes to Mr. Beecher, and sympa-thy with the struggle for the maintenane of geonsti-tutional Government in America.
Mr. Paterson, of Liverpool, seconded the resolu-tion. He regretted that Lord Brougham, the man who claimed to be the very prince of Abolitionists, abould recently have stood up to pronounce the words of unparalleled baseness on this question. [Loud chcers.] It was time the Auti elavery party should cease to be bullied even by a Lord Brougham. [Cherts-]
