 A WORD ABOUT THE "FLORENCE" SEW-'ING MACHINE COMPANY. - The Florence Sewing Machine Company, at Florence, Massachusetts, pos-sess an inexhaustible mine of wealth in their great labor-saving instrument-admitted to be, by all who have made the comparison, the most perfect ma-Jno elopadel, vator barto, bar ohine, in all respects, ever given to the public. The four best and most popular styles of stitch, the lock, *knot*, double lock, and double knot, are all mide on it, and the change from one to the other is the work of an instant. This fact alone places the "Florence" Sarnum's Hotel-Third street, above Rase. Machine at the very pinnacle of ingenious inventions. The immense number of these machines sold at the company's splendid new emporium, No. 630 Chestnut street, is the best endorsement they could have at the hands of the public.

LADIES' AND GENTLEMEN'S FURS-the largest and best stock in the city, at Charles Oak-ford & Sons', Continental Hotel.

RARE SPECIMENS OF THE PHOTOGRAPHIC ART.-Mr. Hipple. the popular and artistic Photo-grapher, No. 820 Arch street, has won an eaviable pre-eminence in his profession by never allowing any other than first-class plotures to pass out of his hands. So true is this, that of the thousands of pictures of his production that it has been our privilege to examine, we have yet to see the first one that is not faultless in tone, expression, and grace of attitude.

OAKFORDS' HATS, CONTINENTAL HOTEL. MESSRS. WOOD & CARY, No. 725 Chestnut street, now offer the most magnifisent stock of Ladies' Bonnets and Children's Headgear to select from in Philadelphia.

THE CONSCRIPTION LAW .--- Judges Lowrie, Woodward, and Thompson have decided that the conformation law is unconstitutional. Judges Strong and Read dissent, and so the case stands, When judges differ who is to decide? Fortunately, there arugsome things which common sense decides npon, and where ordinary intelligence can come to as wis a conclusion as those who are most learned In the aw. This is especially the case in regard to the vesting apparel made at the Brown Stone Oloth ng Hall of Rockhill & Wilson, Nos. 603 and 605 hestnut street, above Sixth. It requires ho

Sur seme bench to decide upon their merits. ILLITARY GOODS, OAKFORDS', CONTI-

TAL. WANTS OF THE AGES .- It is a man's atiny still to be longing for something, and the atification of one set of wishes but prepares the

nsatisfied soul for the conception of another. The hild of one year wants little but food and sleep. At three, the young urchin becomes enamored of sugar-plums, apple pies, and confectionery. At six his imagination runs upon kites, marbles, and playtime. At ten and upwards he longs to make his appearance in the beautiful styles of garments made o order at Granville Stokes' Fashionsole Olothing

Emporium, No. 609 Chestnut street. NEW STYLE HATS-Charles Oakford & Sons, Continental Hotel.

PERSONAL.-Major General Butler is ap. pointed to the command of the forces in North Oarolina, vice General Foster, removed. Major General "United States" Grant to the command

of the Armies of the Mississippi and the Cumber-land, vice General Buell and General Rosecrans, removed. General Estimation is placed on the staff of officers in command of Charles Stokes & Co.'s "one-price" Clothing Store, under the Uontinental. The suiles attached to this department are the admiration of all, both the civil and military authori-

ties. No removals have yet been reported in this department. GENTLEMEN'S HATS.-All the newest and
