I ought to state here, that the Government of the United States would not kaggle about a few men, ore or least if twere bunched or yver Hivyembilds if the question was the relief, and that alone, of our whilering prisoners in Richmond; but whoever one-siders the above statement of facts cannot fail to see that other questions and points are involved, which is not state also, that an offer was made to the rebel agent some days ago to receive all of the prisoners nom the wore how offer was made to the rebel agent some days ago to receive all of the prisoners from Kichmond under a solemin pledge that they should not be allowed to take arms unless duly exchanged with the consent of therebel sutho-rities, without reference to existing difficulties on the subject of exchange; and that this Government would pledge itself to both feed and clothe all rebel prisoners in our hands. This proposition also was rejected, and the Secre-tary of War was thus greatly restricted in his means of affording immediate relief to our prisoners in Richmod; but they have not been overlooked. God forthid. The Secretary of War has ordered both elobling and provisions to be sent through the rebel lines to sustain them, although those supplies, from the necessity of the case, have been entrusted to the honor and humanity of the country to understand that this rebellion is to be put down by organized armised in the field, acting upon and destroying orga-nized opposition to the Government, and no real progress can be made, except in this direction, to whole and humanity of the sent from and no real progress in the field, acting upon and destroying orga-nized opposition to the Government, and no real progress in the field, acting upon and destroying orga-nized opposition to the Government, and no real progress is in the service of the Govern-ment, under the energies of every loyal man in th
