THE WAR POWER.

The war power is still our main reliance. So the President said, after proposing to the country a plan for the restoration of peace, and offering pardon to the people of the South. Unquestionably it is so. The success of the war is understood to be the groundwork of any plan for such a peace as we require, and until the war power has been restored, and until the war power has been restored, and until the war power has been restored...

This will have to be decided by resort to arms. England's difficulty will be great—she is she to support King Christian, of Denmark, whose nomination she assisted to obtain twelve years ago, and whose fair daughter will one day be Queen Consort of Great Britain, or will be the wife of the Grand Duke of Saxe-Coburg, who wishes to curtail the dominions of Denmark, by taking away the Duchy of Schleswig-Holstein.

MESSAGE OF JEFFERSON DAVIS.

Failure in the Rebel Finance and Foreign Relations.

FURTHER TAXATION RECOMMENDED.

The People Called to the Rescue.

FORNANNO NOVOR, Dec. 11.—Jeff. Davis's message to the rebel Congress, dated Dec. 10, is a long and important one. It is a full and complete statement of the state of the rebel cause, and of the measures which are necessary to be taken to sustain it. He says that there are no improvements in the relations with foreign countries since his message of last January. On the contrary, there is a greater divergence in the conduct of European nations, a marked character positively unfriendly, and a marked disposition to support the Union Government.
