GENERAL McCLELLAN'S REPORT. Memorandum Addressed to the President. LETTER TO EX-SERGEANT CAMERON.

General McClellan, on the 4th of August, 1861, addressed to the President the following memorandum, prepared at his request.

MEMORANDUM. The object of the present report differs from those in which I have previously engaged, mainly in this: That the purpose of ordinary war is to conquer a territory and then to occupy it.

LETTER TO EX-SERGEANT CAMERON. I have not a moment's leisure to write you a longer letter than this, but I have written you a longer one than I have written to any other man.
