DRAFT!—A last appeal is made to the Citizens of
the Ward to meet the Committee on MONDAY RVENING, February 8th, 1861 at 7% o clock, at the JEFFEREON SCHOOL HOUSE, FIFTH Street, above Poplar,

The Committee are of the opinion that, if the citizens
who have the mears, and those directly interested, will
aid them by their presence and influence, a way can be
suggested (since the bounties have been reduced in all
the wards to \$25 per man) that will accomplish so desirable an end, but if the prevailing apathy continues to
exist amongst these who, from motives of patriotism,
humanity, and charity, should lend their aid to the
good work, there remains but one course for the Committee to pursue, and that is to close their labors.
