If my life is sacrificed in this contest you will be telegraphed immediately, and I wish you to come to this city with all of the six children, and take the same weapon that I used, and with the same zoal, of truth and justice, go immediately on 'Change, and have some one point out to you the individuals that	Mr. Buchanan were content, for it cost the Govern- ment rearly fifty million dollars. Sir, the people of Utah have, under all their dis- coursgements and embarrassments, built up a beau- tiful city in the midst of the great American desert. They are feeding, and have been for years, the em- ploy is of the overland mail. They are furnishing the necessary supplies for the purpose of developing the resources of the rich mineral regions which sur- round them. They have afforded a safe retreat from the ladians to the wayfarer as he passes on his	this supposed case, I would say him in the inner the preconceived religious opinions of any Copper- heed opponent of the war and opponent of emanoi- pation would be strong enough to prevent him joining so respectable society would suffer much de- terioration, and the presiding elder would have to exclaim with St. Paul: "Alexander, the Copper- head, has done me much evil." The other objection to the exemption of Friends, which is of particular interest to the people of such districts as thoses in	West Foint, the explement of the officers of the by a sliding scale of taxation upon the officers of the regular army, from \$27 for a major general to \$7 for regular army, the names of all officers of the regu- lar army who shall have been killed, or who died of wounds received in the field during the pissent war. Will be inscribed on this monument. A MASTODON'S tusk, exhumed by a party of salt- miners in Oregon, has recently been contributed to the cabinet of the Rochester University.
