As the subject of enlisting minors may daily come before the magistracy of this city, it may not be improper to state the ruing of the court in such eases. The Judges of courts have decided time and again, on write of habeas corpus, that a minor cannot be enlisted into the service of the country without parents! consent. IMPORTANT TO STOCK AND LOANHOLDERS OF THE LEHIGH GOAL AND NAVIGATION CO.

Ashton and others vs. The Lehigh Coat and Navigation.

The plaintiffs are composed of stock and loanholders, and the question before the count was the right of the defendants to convert \$1,500,000 of Schip into the stock of the company eix years before the maturity of the mortgage loan. The effect of such a convertion was alleged to be, lst, the increase of the capital stock of the company \$1,500,000 of Schip into the property of the boals, the yearly sum of \$1,50,125. St. Groups F. Campbell and John C. Knox, for the plaintiffs, contended, 1.t. That the act of 22th of Harch, 1833, does not authorize the use of the bonds to be secured by the mortgage in pursuance of the powers it contains, to be applied to the purpose proposed.

2d. That the proposed arrangement would be a violation of the express contract made by the company with the hiders of the bonds as set forth in the mortgage of 1842.

3d. That even if such an arrangement were tawful, it were elected to constitute the board for the ensuing year:

Wm. H. Boyer, Rene Guillou. D. James, John Weish. Chas. Vanhorn. Amos Poillins, Wm. Harris, D. R. Posey, Chas. C. Carman, Col. E. M. Gregory, Charles Parry, and B. W. James.

The election of officers resulted as follows: Amos Phillips, president; John Welsh, vice president; Chas. Vanhorn, secretary; Wm. Harris, treasurer. The election of a medical staff for the institution resulted in the election of C. Heriog, M. D.; B. James, M. D.; Richard Gardiner, M. D.; and D. Kitchen, M. D., as consulting physicians.

Bushrod W. James, M. D., was elected surgeon in charge of the surgical department; and David R. Poerey, M. D., in charge of the obstetrical department. The medical department being continued, for the present, under the supervision of the latter two physicians. The standard contract was the professor of the contract of the nor the present under the supervision of the loster two physiciars.

A resolution was adopted by the managers empowering the medical staff to select such assistants as they may need from time to time.

A committee was appointed to secure a large authors of the operations of of 1542
