Army of the Potomac, reinforced sufficiently to act on its own part, cannot but have a great effect on the rebel army.

Strategically, the present campaign gives promise to prove the most interesting of the war.

A New Plan of Campaign. Strategically, the present campaign gives promise to prove the most interesting of the war.

General Banks' plan of campaign, which will have a place of interest in the archives of the war, has, for the first time, pronounced a system by which free labor is to be protected and government.
