         DETECTIVE POLICE OFFICER.
                             PRICE FIFTY CENTS.
This is the second volume of the DETECTIVE SIRIES which the publisher announces to issue. It is a collection of stories, all of which have strong interest, and some of them are extraordinary in their details, without being extravagant or improbable. An expert Detective is called upon to play a game of fence with men whose wite are sharpened by need, fear, and practice; and the contests between this and rogency in which he engages are attractive to all ages and ponditions of people. The selection here made from Detective Experience is an exceedingly good one, and serves not only to give the reader intense grafification, but conveys a clear idea of the annals of crime in a large city, without being repulsive or demoralizing.

HEIMSTREET'S INIMITABLE HAIR RESTO-BATIVE .- NOT A DYE,

But restores gray hair to its original color, by supplying the capillary tubes with natural sustenance, impaired by age or disease. All instantaneous dues are composed of lunar caustic, destroying the vitality and beauty of the hair, and afford of themselves no dressing. Heim-street's Inimitable Coloring not only restores hair to its natural color by an easy process, but gives the hair a promotes its growth, prevents its falling off, eradicates dandruff, and imparts health and pleasantness to the head. It has stood the test of time, being the original head. It has stood the test of time, being the original Hair Coloring, and is constantly increasing in favor. Used by both gentlemen and ladies. It is sold by all respectable dealers, or can be procured by them of the commercial agents, D. S. BARNES & OC., 2002 BROADWAY, New York. Two sizes, 60 cents and \$1.

MEXICAN MUSTANG LINIMENT.

The parties in St. Louis and Cincinnati, who have been conterfeiting the Mustang Liniment, under pretence of counterfeiting the Mustang Liniment, under pretence of proprietorship, have been thoroughly estopped by the courts. To guard against further imposition, I have procured from the United States Treasury a private steel-plate revenue stamp, which is placed over the top of each bottle. Each stamp bears the fac simile of my signature, and without which the article is a counterfeit, dangerous, and worthless imitation. Examine every bottle. This Liniment has been in use and growing in favor for many years. There hardly exists a hamlet on the habitable globe that does not contain evidence of its wonderful effects. It is the best emollient in the world. With its present improved ingredients, its effects upon man and beast are perfectly remarkable. Sores are healed, pains relieved, lives saved, valuable animals made useful, and untold ills assuaged. For bruises, sprains, rheumatism, awellings, bites, cuts, caked prains, rheumatism, swellings, bites, cuts, caked breasts, strained horses, &c., it is a sovereign remedy that should never be dispensed with. It should be in every family. Soid by all druggists. fe22-mwf3m&eow6m D. S. BARNES, New York.
