                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       Upon the award being made, successing budgers with bonds.

The Department reserves the right to reject any or all bids. If not deemed satisfactory.

Proposals will be addressed to "Brigadier General George D. Ramsay, Chief of Ordnance, Washington, D. C.," and will be endorsed "Proposals for Horse Equipments."

GEO. D. RAMSAY, fe27 stuth8t Brigadier; Jeneral, Chief of Ordnance.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      LE.—BY VIRTUE OF
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      with its terminal state of two responsible names, as follows:

"We the undersigned, guarantee that should all or any part of the above bid be accepted, it shall be fulfilled according to its true purport and conditions; also, that a written contract, with bonds to the amount of one fourth the value of the stores proposed to be furnished, shall be executed if required.

The seller's name, date of purchase, and place of business, with i ame of catents, gross, tare, and all old marks must be marked on every package, and all old marks must be oblicated.

Bids will include packages and delivery at any point in this city, and any interior packages or cooperage will be considered sufficient cause for rejection of contents.

Payment to be made in such fands as may be farnished for the purpose
Proposals must be endorsed "Proposals for Subsistence Stores," and directed to E. N. BUCK.

Description of first hours 2 A. M. to 1. WATER POWER TO RENT.—ONE
of the best WATER POWERS in the State of
Delaware, healthy and pleasantly situated, having about
thirty Cottages for hands, and a very desirable residence
for manufacturer or manager. The Water Power has
13 feet fall, 2 overshot wheels, each 20 feet breast, 10½
feet diameter, said to be 70 horre power.
Mill recently burned down, will be rebuilt by the
owner for either cotton, wool, or paper manufacture.
The property has unusual advantages for paper-making.
The owner, who resides on the property, would prefer
joining some party who would furnish capital to put maehinery into factory and carrying on the same as a woolen manufactory, or would lease the same for a term of
years. For further particulars apply to CRILLAS.
