New York or Lincoln Cavalry, at the NORTH BAPTIST CHURCH, EIGHTH Street, above waster, can the 10th of March, at 7% P. M. Tickies 25 (ed.), at the door. The undersigned, members of the Executive Committee of the Great Central Fair for the Sanitary Commission, beg to invite the co-operation of all their fellow-citizens, especially of those resident in Pennsylvania. Delaware, and New Jersey, in this important enterprise. It is proposed to hold the Fair in PHILADEL-PHIA in the first week in JUNE next, and it is confidently expected that the contributions comins from a population so benevolent and patriotic as that which inhabits the Central States, and representing the most important grd varied branches of industry and art, will scene a result in aid of the funds of the Commission and for the benefit of the Foldier at least equal to that which has attended similar undertakings in other cities. It is not necessary to say a word to stimulate expurably for the soldier; we feel for them all as bretteren, and the popular heart seeks only the best RUBINA is by a New England author, and depicts th life and people of that section with singular fidelity and great split. Readers fond of a "character" novel will find in this book several of the most quaint and effective delineations in modern literature. The incidents are fresh: the style of the book is thoroughly volistic; and the story is full of a deep. human interest.

Miss Harriet E Prescott is the daughter of the great
American historian William H Prescott, whose fame
is as wide as the circle of civilization, and whose memory
is cherished by his countrymen with a feeling of veneration accorded no other author, with the exception, perbaps, of Washington Irving. The daughter, like the
ather, has the gift of geniue, and her stories in the 4ttontic Monthly Magazine have added largely to the
prestige and popularity of that able periodical, and she
imparts to every subject upon which her powerful pen is
employed a fascinating interest. To a mind richly stored
with varied knowledge, she addes an imagination that is
fetterless in its flights, though it never sours into the region of the impossible. Her latent productions.
