What Loyal and Patriotic Citizen of Pennsylvania would not gladly embrace the privilege of recording his name upon this roll of nonor, and of linking himself directly with the field where the loty heroism of his country men vindicated the integrity of the Union and the principles of Freedom? And who would not desire to hand down as a presious heir-loom to his children the evidence of his part in the good work, bearing, as the certificate will, a view of the field which will rank in history with THERMOPYLE. MARATHON, and WATERLOO?

There are no salaried officers in this Association, nor are there any objects in view in its reastion other than these already stated. The grounds were purchased from their origin all owners at the exact price to be paid for them by the Association, and the points selected, and the prices to be paid for them, met the unqualified approval of a committee of the Historical Scorety of Pennsylyania, appointed for the purpose of visiting the field. mh16 HOOP SKIRTS, 628 628SPRING SPYLES.
