The United States Christian Commission has seized the

The Christian Commission offers to the people a perfectly reliable and wonderfully economical channel to reach the entire Army in all its prions fields. The money given goes in full measure, in benefits for body and soul, directly to the Soldiers, and stores also, immediately from the hands of delegates from home, who add words and deeds of hindness to the after when bestowed. Let the people give the Money and Stores, and the work will be done.

The large Corps of Delegates now in the field will serve as a grand corps of relief when the annies shall move and battles be fought, and the greater their number the more prompt and effective will be the relief they shall render.

Let not the present work languish. Wait not for the cry of the wonned and dring before providing relief.

The "GETTYSBURG BATTLE FIELD MEMORIAL ASSOCIATION" was instituted for the purpose of securing forever the principal points upon the great battle-field of the war, in the exact condition in which battle-neil of the war, in the exact countrol in which they were left in July, 1883, when the rebel hordes of the invader Lee were driven back from the free soil of Pennsylvania, and when the the gallant soldiers of General Meads remained in possession of the field which they had won by their valor. The Association have already secured the purchase of Cemetery Hill. CHLE'S FILL. GRANITE SPIE, and ROUND TOP, with the entrenchments thrown up just upon the eve of the great sonflict which was the turning point in the carear of the rebellion. The field, with its redoubts, wonderful stone defences, its timber breast-works, its forest heights, with the trees torn by shells and countless builets, and with the trees torn by shells and countless builets, and its long lines of earthwork defences, have all been preserved intact, and to so continue to preserve them. as to be a monument forever of the greatest of American battle-fields, is the object of the formation of the Association. To enable a large number of persons to join in this patriotic work, the projectors of the plan placed the subscriptions at ten dollars each. What Loyal and Patriotic Citizen of Pennsylvania What Loyal and Patriotic Citizen of Pennsylvania would not gladly embrace the privilege of recording his name upon this roll of nonor, and of linking himself directly with the field where the loty heroism of his countrymen vindicated the integrity of the Union and the principles of Freedom? And who would not desire hand down as a precious heir-loom to his children the evidence of his part in the good work, bearing, as the certificate will, a view of the field which will rank in history with Thermoptle. Markathon, and Waterroop? There are no salaried officers in this Association, no are there any objects in view in its creation other than those already stated. The grounds were purchased from their original owners at the exact price to be paid for them by the Association, and the points selected and the prices to be paid for them, met the unqualified aproval of a committee of the HISTORICAL SOURTY OF PENEVLYANIA. appointed for the purpose of visiting The field.

"New Bedford, Mass., Nov. 24, 1863.

"Dear Sir: I have been afflicted many years, with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system Physicians and nedicines failed to relieve me. While visiting some friends in New York, who were using Plantation Bitters, they prevailed upon me to try them. I commenced with a small wine-glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My apetite and strength have also greatly improved by the use of the Plantation Bitters.
