BRLIGIOUS INTELLIGENCE.

SPURGEON .- The celebrated Baptist prescher of London, Rev. C. H. Spurgeon, it is reported, will visit this country in May. This is about the seventh time that Mr. Spurgeos's intended visit to America has been similarly heralded within as many THE REV. HENRY WARD BEECHER is no longer.

either real of nominal, editor of the New York In dependent, his mantle in that respect having falled upon the shoulders of his talented young friend Theodore Tilton. Tilton, by the way, in the present number of his paper, establishes his claims as a respectable poet in lines suitled, "The Victory o Life." Mr. Beecher is still a contributor to the In dependent, as he also is to the New York Ledger.

The Rev. F. A. M. Keller, and of the venera ble Rev. Benjamin Keller, of this city, died at his lesidence, Germantown, on Friday last. He was a minister much beloved in the Lutheran Church, in which he was reared.

A PACIFIC OVERTURE - The editor of the Lutheran nd Missionary, Rev. Dr. Krauth, gets off the following good-natured piece of irony at the expense of

in the late Convention, which commenced in a fume and terminated in smoke, which began by being secret and ended by becoming invisible, one of the things aimed at was a "pacific overture." The overture, it seems, has failed. We propose one, therefore :

I. If nominal Lutherans will cease assailing the doctrine of our Church we will cease defending it

against them. II. If they will cease perverting the truth we will cease exposing their falsities. III. If they will stop writing nonsense we will stop laughing at them.

NO BAPTIST PAPER IN PHILADELPHIA .-- Until

within the last few months, the Baptists had an organ in New York, entitled the Chronicle, and another in Philadelphia of the same name. They were separate and distinct, and both were creditably con-ducted, the fermer, however, excelling as a news ducted, the lermer, nowers, savening as a reason paper. Recently, for some cause, the two were censolidated in one, with the office in New York, since which time the dual sheet has certainly not equalled the standard of either one of its original components. The New York Examiner, apeaking of the non-publication of a Baptist paper in this city, the non-publication of a Baptist paper in this city, has the following: "But as a Baptist, we think with humiliation on the fact, that so large and rich a city as Philadelphia, where other denominations have many papers of their own, should have no Haptist newspaper edited and published within its limits. We should be about as willing to ask our Philadelphia brethren to shut up their churches, and come every Saturday to New York to get their preaching, as to wish them to be wholly dependent on another city for the making of their Baptist

newspaper. "THE REV. DE. BELLOWS," President of the Sa. "THE KEV. DE. BELLOWS," Freshent of the Sa-nitary Commission, has accepted a call to take tem-porary charge of the pulpit lately filled by Rev. Thomas Starr King, San Francisco. Dr. Bellows will remain there for aix months and then resume his New York charge.

SERVICES AT THE CATHEDRAL ON EASTER SUN-DAY.-On to morrow (Sunday) afternoon the Osthe. dral, on Logan Square, will be open in the afternoon or Grand Pontifical Vespers, and a sermon will be preached by the ex-Bishop of Pittaburg, Dr. O'Con-Dr. U'CONNOR AT ST. ANNE'S.-ON Sunday night

this eminent Jesuit and ex bishop preached at St. Anne's Catholic Church. The church, large as it s, was too small for the numbers that sought ad-mission. At the end of the services, a collection mission. At the end of the services, a collection was taken up in aid of a church of which Dr. O'Connor is now in charge, and the people of Port Rich. and contributed with great liberality. We have been told that the pastor's house was crowded to excess until quite late at night with men and women putting down their names as contributors. A scene like that at St. Anne's took place at St. Patrick's

on Sunday morning. LECTURE ON THE LATE ARCHBISHOP HUGHES.-The Right Rev. Bishop Bailey, of Newark, is to de-liver a lecture at the Academy of Music, on Monday evening next, on the late Archbishop Hughes. The ecturer was for some time secretary to the Archbishop, and it was through that distinguished pre-late that he got the mitre. They were ardently at-tached to each other up to the time of the Archbishop's death. No one is, therefore, better qualified

to treat the subject proposed than Bishop Balley. AN OLD EDITOB RETIRED.-Mr. A. P. Ourmings, over thirty years editor of the New York Observer, has retired from the proprietorship of that journal. and is succeeded by Measrs. F. Tompkins and Thonas H. Cuthell, both of whom have been for years connected with the office of the Ohserver.

CALL TO THE REV. MR. BOARDMAN, OF ROCHES. TER.-The First Baptist Church of this city, corner of Broad and Arch streets, has extended a call to the Rev. Mr. Boardman, of Rochester, N. Y. The lat. ter will preach in this church to-morrow (Sunday)

morning and evening. A "Reversend" TRAITOR SENTENOED TO WORK THE FORTIFICATIONS.

associate with him in the "enrolment of a Oitizens' Meeting Volunteer Guard," for the maintenance of rder and regularity at public meetings for patriot

purposes. TRANUCCO'S last request, when he left the dock, after his trial for complicacy, that his horn might be given back to him, has been granted. The instru-ment has been sent to the prison, and it is under-stood that the governor has given Trabucco per-mission to play upon it to the prisoners after mass on Sundars.

GAS WORKS IMBROGLIO.-Some time since [Before Mr. Alderman Massey.] A Soldier Robbed. Elizabeth J. Metz and Sarah A. Buelah were ar-raigned yesterday on the oharge of robbing Michael Connell, a soldier, of the sum of \$170. It is alleged that the defendants reside in Wood street, above Thirteenth. The soldier, it is said, visited the house. When he left he found himself minus the amount of money named. The defendants were held to bail in the sum of \$1000 each to answer at court. They positively deny the charge as preferred. GAS WORKS IMBROGLIO. — Some time since a notice appeared in The Press, that there was con-aiderable dissension among the Board of Trustees of the Philadelpeia Gas Works. As the meetings of this semi public body are held in secret, the commu-nity cannot be advised of the rich secnes that havn taken place there. Affairs however of late secmed to have reashed such a crisis, that last evening the Board met, having in a canous the day before sgreed upon a certain course of action that looked to the displacement of certain of the officials. Mr. Jdhn C. Cresson, chief engineer of the Gas works, tendered his resignation, which was ac-cepted. William H. Durborow was elected first engineer, and Isaac S. Caasin, late of the Water Department, was elected second engineer. The Board then adjourned until Monday after-noon, at 4 o'clock, when it is likely some one will be elected Chief of the Gas Works, in place of Mr. Cresson, resigned.

[Before Mr. Alderman Pancossi,] Alleged Receiver. A man giving the name of John Mundom was ar-raigued yesterday on the charge of receiving stolen goods, the property of the United States Govern-ment. It seems that four boys, whose ages range from thirteen to sixteen years, were arrested on the charge of stealing cartain property from the barresks at Twenty-second and Wood streets. It is alleged that the things thus stolen were purchased at the place of the defendant. He was held to bail in the sum of \$1,000 to answer. noon, at 4 o'clock, when it is likely some one will be elected Chief of the Gas Works, in place of Mr. Cresson, resigned.
 Both the gentlemen elected are considered War Democrats; in opposition to the peace proclibiles that have heen fastened on the Democratic organi-zation. GOOD FRIDAY. — The observance of Good Friday as a religious festival was generally remarked to be more universal yeaterday than for many years past. The Episcopal and Lutheran churches were quite full during all the services, as were some others. With the Catholics the day was observed with great solemnity. At the mass, the priests and their ministers went to the altars isothed in black vestments, and, while bearing the acolytes, covered the altar with a linen cloth, after which mass was performed. The crucifixion was represented, and when that was almost ended, the candles were ighted, and then the cross was placed upon the altar. The blessed sacrament was brought out and placed on the altar, where it was fixed with in-cense. Wine and water were put in the challee and set on the altar, and, with the sacred Host, were fumed. The priest then signed himself with the blessed escrament, and then set lossd. MERITED REBUKE.-Yesterday afternoon
