The citizens of Delaware have been cordially invited to co-operate with the citizens of Pc, maylvania and Bew Jersey in this outriots and tumane purpose. The regulations added hereto have been adopted with reference to this state, and will exhibit the details of the plan of management. It is no necessary for me to commend this great and good work to the loyal people of Delawars. You have already given with a liberality and labored with a fidelity worthy of all praises. You have been willing and as tive; and what you have on have done is the best indication of what you can and will so. Let every clery man an onome this in mane undertaing to his bospie; let up pless give it the widest publicity and the most corness encouragement; let every decry, workshop, and mill contribute a specimen of the best thing they can furnout; it all loyat men and women exercise their taste not our fatte, a great comfort to our addicting beroes, and	mb24-tf

                                                                                                                                                                                                                                                                                                                                                                                         RATIVE.-NOT A DYE,
                                                                                                                                                                                                                                                                                                                                                  But restores gray hair to its original color, by supplying the capillary tubes with natural sustenance, impaired by age or disease. All instantaneous dies are composed of lunar caustic, destroying the vitality and beauty of the hair, and afford of themselves no dressing. Heimstreet's limitable Coloring not only restores hair to its natural color by an easy process, but gives the hair LUXURIANT BRAUTY.
                                                                                                                                                                                                                           PROCTOR & CO.,
                                                                                                                                                                                                                           ANTILLA EMPORIUM.
                                                                                                                                                                                                                                                                                                                                                 LUXURIANT BRAUTY.

promotes its growth, prevents its falling off, eradicated dandruff, and imparts health and pleasantness to the head. It has stood the test of time, being the original Hair Coloring, and is constantly increasing in favor. Used by both gentlemen and ladies. It is sold by all respectable dealers, or can be procured by them of the commercial agents, D. S. BARNES & CO., 20% BROADWAY, New York. Two sizes, 60 cents and $1.
                                                                                                                                                                                                                                                    920 CHESTNUT STREET

                                                                                                                                                                                                                                                                                                                                                   The parties in St. Louis and Cincinnati, who have been counterfeiting the Mustang Liniment, under pretence of proprietorship, have been thoroughly estopped by the courts. To guard against further imposition, I have procured from the United States Treasury a private steel-plate revenue stamp, which is placed over the top of
                                                                                                                                                                                                                                                                                                                                                plate revenue stamp, which is placed over the top of each bottle. Each stamp bears the fac simile of my signature, and without which the article is a counterfeit, dangerous, and worthless imitation. Examine every bottle. This Liniment has been in use and growing in favor for many years. There hardly e: ists a hamlet on the habitable globe that does not contain evidence of its wonderful effects. It is the best emollient in the world. With its present improved ingredients, its effects upon man and beast are perfectly remarkable. Sores are healed, pains relieved, lives saved, valuable animals made useful, and untold ills assuaged. For braises, sprains rheumatism, swellings, bites, cuts, caked breasts, strained horses, &c., it is a sovereign remedy that should never be dispensed with. It should be in

RDWARD L. FULLER, BUGAR T. LINDSLAY, PHILADELPHIA. April 4, 1884. them to enter at once upon the fields of usefuness and honor.

The new system of Actual Business Training, introduced into this College last October, has proved an eminent success in fully preparing our graduates for the duties of active business life. Hundreds of young men and many ladies have availed then selves of its advantages, and the favor and success with which they have not in obtaining honorable and lucrative employment, upon graduating, are sufficient to form an important consideration with those who are about deciding between Commercial Schools, with a view to enter the one which additional and conclusive evidence of the superior facilities of this institution to theroughly quality its graduates to manage the affairs of business with system and despatch. The course of instruction is what the age domands, thorough, practical, and so extematized and practically taught as to enable the student to master it in the Phottest space of time pusible.

The favorite Spencerian System of Penmanship is taught by a gentleman trained by the author, Mr. B. R. Spencer.

Telegraphing is taught by an experienced operator.

Mr. J. Dy SPIRITUAL SHANCES. -BLOOD-RED WRITING ON THE ARM, in the autography EED WRITING ON THE ARM, in the autography of the deceased!

COLCHESTER, the world renowned Test and Business Medium, has consented, at the samest solicitation of his many friends, to return to Philadelphia for a short time, or mmercins on TUESDAY, April 5th,
The public can then have a fair opportunity of indefine between true Spiritualism and Necromancy and Charlataplam, as practiced by its opponents.

Those who wish to investigate, call at Reception Rooms, over 917 CHASTNUT Street.
