The United States Christian Commission has selzed the present golden opportunity of rest for the Army to extend its work for the good of the Soldiers.

A PERMANENT FIELD AGENCY has been sufficiently extended to establish existions and superintend the work.

THE BLESSIAG OF GOOD rests signally on all parts of the work. Many thousands have been cicered, benefited and saved. Still a large part of the Army remains unreached, and double the number, both of stations and for them.

The Chietian Commission offers to the people a perdelegates, are needed to meet the urgent demand for them.

The Christian Commission offers to the people a perfectly reliable and wooderfully economical channel to reach the entire Army, in all its various fields. The money given floes in full measure, in benefits for body and soul, directly to the Soldiers, and stores also, immediately from the hands of delegates from home, who add words and deede of hindness to the gifts when bestowed. Let the perple give the Money and Stores, and the work will be done.

The lerge Corps of Pellegates now in the field will serve as a grand corps of relief when the aimies shall move and battles be lought, and the greater their number the more prompt and effective will be the relief they shall repuder.
