PINANCIAL.

These Bonds are issued under the Act of Congress o March 8th, 1864, which provides that in lies of so much of the loan authorized by the Act of March 3d, 1883, to ury is anthorized to borrow from time to time, on the credit of the United States, not exceeding TWO HUN-DRED MILLION DOLLARS, during the current fiscal rear, and to prepare and issue therefor Coupon and Ee. under this Act shall be EXEMPT FROM TAXATION by or under any State or municipal authority. Subscrip tions to those Bonds are received in United States no or notes of National Banks. They are TO BE RE-DREMED IN COIN, at the pleasure of the Government, at any period not less than ten nor more than fort years from their date, and until their redemption FIVE PER CENT. INTEREST WILL BE PAID, IN COIN, or

Sonds of not over one hundred dollars annually, and on all other Bondy zemi-annually. The interest is payable on the first days of March and September in each year. The semi-annual Coupons are payable at those dates, and the annual Corpors on the o and 100-dollar Bonds are payable on the first of March Subscribers will receive either Registered or Coupo Bonds, as they may prefer. Registered Bonds are r corded on the books of the U. S. Treasurer, and can h ue payable to bearer, and are more convenient for com nercial uses.

Registered Bonds will be issued of the denoof Fifty Dollars (\$50), One Hundred Dollars (\$100); Five Hundred Dollars (\$500), One Thousand Dollars (\$1,000), Five Thousand Dollars (\$5,000), and Ten Thousand Do ars (\$10,000); and Coupon Bonds of the denomination of Fifty Dollars (\$50), One Hundred Dollars (\$100), Five Hundred Dollars (\$500), and One Thousand Dollar

Entscribers to this loan will have the option of having their Bonds draw interest from March lst. by paying th accrued interest in coin (or in United States notes, or the notes of National Banks, adding fifty per cent. for preminml, or receive them drawing interest from the dat of subscription and deposit.

As these Bonds are exempt from municipal or State taxation, their value is increased from one to three per cent, per annum, according to the rate of tax leyles in various parts of the country. At the present rate of premium on gold they pay ove eight [per cent. interest in currency, and are of equal convenience as a permanent or temporary investment. It is believed that no securities offer so great induc ments to lenders as the various descriptions of U. S. Bonds In all other forms of indebtedness the faith or ability of private parties, or stock companies, or sepa rate communities, only is pledged for payment, while

for the debts of the United States the whole property of le country is holden to secure the payment of both rincipal and interest in coin These Bonds may be subscribed for in sams from \$50 up to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money a any moment, and the holder will have the benefit of the

The fact that all duties on imports are payable in pecie, furnishes a fund for like payment of interest on all Government Bonds largely in excess of the wants o the treasury for this purpose.

Upon the receipt of subscriptions a certificate of de oalt therefor, in duplicate, will be issued, the original of which will be forwarded by the subscriber to the Seeretary of the Treasury, at Washington, with a letter tating the kind (registered or coupon) and the denominations of bonds required. "New Brdp-ord, Mass., Nov. 24, 1963. "DEAR SIR: I have been afflicted many years, with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system Physicians and medicines failed to relieve me. White visiting some friends in New York, who were using Plantation Bitters, they prevailed upon me to try them. I commenced with a small wine-glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness

grees, in a tew days I was astonished to not a coloness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My apelite and strength have also greatly improved by the use of the Plantation Bitters.

"Respectfully, JUDITH RUSSEL." C. A. FLAUTE." The following is from the Manager of the Union Hom chool for the Children of Volunteers:

"Dr. Drake: Your wonderful Plantation Bitters have been given to some of our little children, suffering from weakness and weak lungs, with most happy effect. One little girl, in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a tearpoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well.
