MEXICAN MUSTANG LINIMENT.

The parties in St. Louis and Cincinnati, who have been counterfeiting the Mustang Liniment, under pretence of proprietorship, have been thoroughly estopped by the courts. To guard against further imposition. I have procured from the United States Treasury a private steel-plate revenue stamp, which is placed over the top of each bottle. Each stamp bears the face stants of my signature, and without which the article is a counterfeit, dangerous, and worthless imitation. Examine every bottle. This Liniment has been in use and growing in favor for many years. There hardly exists a hamlet on the habitable globe that does not contain evidence of its wonderful affects. It is the best emollient in the world. With its present improved ingredients, its effects upon must and beast are perfectly remarkable. Sores are healed, pains relieved, lives saved, valuable animals made useful, and untold ills assuaged. For braines, apprains, rhemmatism, swellings, bites, cuts, caked breasts, strained horses, &c., it is a sovereign remedy that should never be dispensed with. It should be in every family. Sold by all druggists.
