PHILADRIPHIA AGENCY, No. 1823 CHESTRY: St.,

Amenia I. 1864.

The undersigned, members of the Executive Committee of the GREAT CENTRAL. FAIR for the Sanitary Commission. beg to invite the co-operation of all their feliow-citizens, especially of those resident in Pennsylvania. Delaware, and Bew Jersey, in this important enterprise. It is proposed to hold the Fair in Philadelphia, in the frost week in June saxt, and it is confidently expected that the contributions, comins from a population so benevolent and patriotic as that which inhabits the Central States, and representing the most important and varied branches of industry sind art, will secure a result in aid of the funds of the Commission, and for the benefit of the Soldier, at least equal to that which has attended similar undertakings in other cities. It is not necessary to say a word to atimulate sympathy for the coldiers. We feel for them all as brethren, and the popular heart seeks only the best mode of manifesting that sympathy in the most efficient and practical way. There Falls in other places have been productive of great results. By this means Chleago has recently raised for this object sixty thousand dollars. Beston one hundred and fifty thousand, and Cincinnati more than two hundred thousand. We appeal, then, with the greatest confidence to the inhabitants of the Central States, especially to those who constitute the great Industrial classes, to send as contributions the productions of their skill and work manship. WANAMAKER & BROWN. WE HAVE NOW OPEN SIXTH and MARKET Streets. ake to order) No. 1 S. Sixth st A BEAUTIFUL ASSORTMENT OF At S A. M., via Camden and Amboy, O. and A. Ac-MOLDED COLLARS On's Highest Premium FRENCH FLOWERS. Have now been before the public for nearly a year. They are universally pronounced the neatest and best-fitting collars extant.

The upper edge presents a parfect cure, free from the angles noticed in all other collars.

The cravat causes no puckers on the inside of the turn-down collar—they are AS SMOOTH INSIDE AS OUT-SIDE—and therefore perfectly free and easy to the neck.

The Garotte Gollar has a smooth and evenly-finished edge on BOTH SIDES.

These Collars are not simply flat pieces of paper out in the form of a collar, but are MOLDED AND SHAPPD TO FIT THE BECK,

They are made in "Rovelty" (or turn-down style), in every half size from 12 to 17 inches, and in "Enreke" (or Garotte), from 13 to 17 inches, and packed in "solid sizes," in neat blue carton, containing 100 each; also, in smaller ones of 10 each—the latters very handy package for Travallers, Army and Wavy Officers.

\*\*SPERY COLLAR is stamped\*\* STITCH 12-12 M, via Camden and Amboy, C, and A. As-RIBBONS, SILKS, LACES, VEILS, &c. button.

A list of these Committees will be shortly published and distributed. In the meantime, those who are disposed to aid us. or who may desire any further information on the subject are requested to address the Corresponding Secretary of the Executive Committee of the Great Central Fair, 1323 CHESTBUT Street.
