U. S. TEN-FORTY BONDS. These Bonds are issued under the Act of Congress of Sarch 8th, 1862, which provides that in lieu of so much of the loan authorized by the Act of March 3d, 1833, to which this is supplementary, the Secretary of the Treavry is authorized to borrow from time to time, on the credit of the United States, not exceeding TWO HUN-DRED MILLION DOLLARS, during the current fiscal year, and to prepare and issue therefor Coupon and Registered Bonds of the United States; and all Bonds issued under this Act thall be BEEMPT FROM TAXATION by or under any State or manisipal authority Subscrip-tions to these Bonds are received in United States notes, or notes of National Banks. They are TO BE RE-DEFMED IN COIN, at the pleasure of the Government, at ally period not less than ten nor more than forth years from their date, and until their redemption FIVE PER CENT. INTEREST WILL BE PAID, IN COIN, on Bonds of not over one hundred dollars annually, and n all other Bonds semi-annually. The interest is payable on the first days of March and September in each year. The semi-annual Coupons are payable at those dates, and the annual Coupons on the 50 and 100 dollar Bonds are payable on the first of March, Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are recorded on the books of the U.S. Treasurer, and can be transferred only on the owner's order. Coupon Bonds are payable to bearer, and are more convenient for com-Registered Bonds will be issued of the denominations of Fifty Dollars (350). One Lundred Dollars (31:0), Five Hundred Do, lars (\$500). One Thousand Dollars (\$1,000). Five Thousand Dollars (#5,000), and Ten Thousand Dolare (\$10,000); and Coupon Bonds of the denomination of Fifty Dollars (\$50), One Hundred Dollars (\$100), Five Sundred Pollars (\$500), and One Thousand Dollar Embedibers to this loan will have the option of having their Bonde draw interest from March 1st, by paying the accrued interest in coin (or in United States notes, or the totes of National Banks, adding fifty percent, for preinm), or receive them drawing interest from the date f subscription and deposit. As these Bonds are exempt from municipal or State towation, their value is increased from one to three per cent. per annum, according to the rate of tax levies in various parts of the country.

At the present rate of premium on gold they pay over eight per cent. interest in carrency, and are of equal on venience as a permanent or temporary investme It is believed that no securities offer so great induce ments to lenders as the various descriptions of U.S. Bonds. In all other forms of indebtedness the fatth or ability of private parties, or stock companies, or sepa rate communities, only is p'edged for payment, while for the debts of the United States the whole property of the country is holden to secure the payment of both principal and interest in coin.

These Bonds may be subscribed for in sums from \$50 up to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money at any moment, and the holder will have the benefit of the The fact that all duties on imports are payable in cie furnishes a fund for like payment of interest of all Government Bonds largely in excess of the wants of he treasury for this purpose. MEXICAN MUSTANG LINIMENT.

The parties in St. Louis and Cinetinati, who have been counterfeiting the Mintang Liniment, under pretence of proprietorship, have been thoroughly estopped by the courts. To grand against further imposition. I have procured from the United States Treasury a private steel-plate revenue stamp, which is placed over the top of each bottle. Each stamp bears the face simile of my eignature, and without which the article is a counterfeit, dangerous, and worthless imitation. Examine every bottle. This liniment has been in use and growing in favor for many years. There hardly exists a hamlet on the habitable globe that does not contain evidence of its wonderful effects. It is the best emollient in the world. With its present improved ingredients, its effects upon man and beast are perfectly remarkable. Sores are healed, pains relieved, lives saved, valuable animals made useful, and untold lits assuaged. For bruises, sprains. rhemmatism, swellings, bites, cuts, saked breasts, strained horses. &c. it is a sovereign remedy that should never be dispensed with. It should be in every family.
