FINANCIAL.

10-40 BONDS.

These Bonds are issued under the Act of Congress of March 8th, 1864, which provides that all Bondsissued under this Act shall be EXEMPT FROM TAXATION by

or under any State or municipal authority. Subscriptions to these Bonds are received in United States notes

or notes of National Banks. They are TO BE RE-DEEMED IN COIN, at the pleasure of the Governmen

years from their date, and until their redemption FIVE PER CENT. INTEREST WILL BE PAID IN COIN, on

Bonds of not over one hundred dollars annually, and on all other Bonds semi-annually. The interest is

payable on the first days of March and September i

Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are re-corded on the books of the U. S. Treasurer, and can be

transferred only on the owner's order. Coupon Bonds

Subscribers to this loan will have the option of having

their Bonds draw interest from March 1st, by paying

the accrued interest in coin (or in United States notes,

or the notes of National Banks, adding fifty per cent. for premium), or receive them drawing interest from

the date of subscription and deposit. As these Bonds

EXEMPT FROM MUNICIPAL OR STATE TAXATION.

their value is increased from one to three per cent. per

annum, according to the rate of tax levies in various

At the present rate of premium on gold they pay OVER EIGHT PER CENT, INTEREST

in currency, and are of equal convenience as a perma

It is believed that no securities offer so great induce-

ments to lenders as the various descriptions of U.S. Bonds. In all other forms of indebtedness the faith or

ability of private parties, or stock companies, or separate communities, only is pledged for payment, while

the country is holden to secure the payment of both

These Bonds may be subscribed for in sums from \$50

up to any magnitude, on the same terms, and are thus

made equally available to the smallest lender and the largest capitalist. They can be converted into money at

any moment, and the holder will have the benefit of the

It may be useful to state in this connection that the

total Funded Debt of the United States on which interest

is payable in gold, on the 3d day of March, 1864, was \$768,965,000. The interest on this debt for the coming fiscal year will be \$45,937,126, while the customs reve-

nue in gold for the current fiscal year, ending June 30th, 1864, has been so far at the rate of over \$100,000,000 per

It will be seen that even the present gold revenues

the Government are largely in excess of the wants of

the Treasury for the payment of gold interest, while the

recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of im-
