This was the great life work of the late Dr. Bethune, and will remain a monument of his thorough scholar-It is believed that no securities offer so great induceship, the classical purity and beauty of his style, and above all, his deep and abiding piety.

The Christian Intelligencer says:

"We are glad to see that Messrs. Sheldon & Co., of New York, are issuing a new theological work from the pen of the late and over-lamented Dr. Bethune. Its little is, "Expository Lectures on the Heidelberg Catechism." and to those who do not rightly know the Catechism or its expositor, it might seem to belong to the class of dry, doctrinal books, very barren of interest to all but theological readers, it is, however, a work which every true, single-eyed Christian, learued or unlearned, will delight to read feeling, as he passas from lecture to lecture, that he is being built up in the faith by the strong, skilful hand of a wise master-builder. "To this choice Catechism Dr. Bethune has given his nohle powers in their selected order. And the friends of Dr. Bethune, who treasment the memory of his rare and thrilling eloquence, will find the very tones of his voice recatled, as they feel throughout all these lectures the pulsation of a heart filled with burning zeal and feryid devotion to the good of souls and to the glory of God." ments to lenders as the various descriptions of U.S. ship, the classical purity and beauty of his style, and Bonds. PHOTOGRAPHS.

STARVED UNION PRISONERS.—

The condition and appearance of these patriots are thus described by Miss Dix:

"I had just got to the wharf when our flag-of-truee boat, the "City of New York," came in, and soon the poor fellows began to land, four hundred and fifty of them from Bollo isle. Such a sight! It was a regiment of skeletons. Most of them had to be carried on stretchers. Several died on the boat as they were being lifted up. Nine died on the wharf, lisping their gratitude to God, that, after all their privations, they were permitted to die under-the old flag. A majority wore so weak that they could scarcely speak, and in a hundred the brain scomed to be affected. First, as near as we could learn from the few who could tell the story, they had been starved—systematically, they thought—culy a meagre scrap of musty bacon being brought to them, with water, so that they gradually lost their strength, and became mere skin and bone.

LYON'S KATHAIRON. Kathairon is from the Greek word "Kathro," or "Kathairo," signifying to cleanse, rejnvenate, and restore. This article is what its name signifies. For rving, restoring, and beautifying the HUMAN HAIR it is the most remarkable preparation in the world. It is again owned and put up by the original proprietor, and is now made with the same care, skill, and attention which gave it a sale of over one millittles per annum. It is a most delightful Hair Dressing. It eradicates scurf and dandruff.
It keeps the head cool and clean.

It makes the hair rich, soft, and glossy. It prevents the hair from falling off and turning gray. It restores hair upon bald heads. Any lady or gentleman who values a beautiful head of hair should use LYON'S KATHAIRON. It is known and used throughout the civilized world. Sold by all respectable dealers. DEMAS S. BARNES & CO., New York.

HAGAN'S MAGNOLIA BALM. This is the most delightful and extraordinary article ever discovered. It changes the sun-burnt face and hands to a pearly satin texture of ravishing beauty, imparting the marble purity of youth, and the distingué appearance so inviting in the city belle of fashion. It removes tan, freckies, pimples, and roughness from the skin, leaving the complexion fresh, transparent, and smooth. It contains no material injurious to the skin. Patronized by actresses and opera-singers. It is what very lady should have. Sold everywhere.

HEIMSTREET'S INIMITABLE HAIR RESTO-RATIVE.—NOT A DYE, But restores gray hair to its original color, by supplying the capillary tubes with natural sustenance, impaired by age or disease. All instantaneous dyes are composed of lunar caustic, destroying the vitality and beauty of the hair, and afford of themselves no dressing. Heim-

street's Inimitable Coloring not only restores the hair to its natural color by an easy process, but gives the hair LUXURIANT BEAUTY, promotes its growth, prevents its falling off, eradicates dandruff, and imparts health and pleasantness to the head. It has stood the test of time, being the original Hair Coloring, and is constantly increasing in favor.

Used by both gentlemen and ladies. It is sold by all respectable dealers, or can be procured by them of the commercial agents, D. S. BARNES & CO., 202 BROAD-WAY, Now York. Two cives 50 cents and \$1. WAY, New York. Two sizes, 50 cents and \$1.

MEXICAN MUSTANG LINIMENT. The parties in St. (Louis and Cincinnati who have ence of proprietorship, have been thoroughly estoppe by the courts. To guard against further imposition, I have procured from the United States Treasury a private steel-plate revenue stamp, which is placed over the top of each bottle. Each stamp bears the fac simils of my signature, and without which the article is a counterfeit, dangerous, and worthless imitation. Examine every bottle. This Liniment has been in use and growevery bottle. This Liniment has been in use and growing in favor for many years. There hardly exists a hamlet on the habitable globe that does not contain evidence of its wonderful effects. It is the best emollient in the world. With its present imdroved ingredients, its effects upon man and beast are perfectly remarkable. Sores are healed, pains relieved, lives saved, valuable animals made useful, and untold ills assuaged. For artises, sprains, rheumatism, swellings, bites, cuts, caked breasts, strained horses, &c., it is a sovereign remedy that should never be dispensed with. It should be in every family. Sold by all druggists.
