In consequence of the prejudice existing in regard to patent medicines, and the low estimate at which they are hold by people in general, it is my earn-st desire that my decaphysical Discovery should not be received or classed with the patent medicines of the age. You ask me why? I answer, because it is a scientific specially, differing in application, tendencies, and results, from all other remedies and preparations which have ever gone before it. And further, because the Motphysical Discovery is the result of inherit-do power to trace effects to their first cause. This may be styled originality of thought: therefore let it be understood that the Metaphysical Discovery is not only the result of inherit-do power, but also the result of alife of rare philosophical research, and that, too, in an unbeaten track.

The mind of the discoverer could not be satisfied with any development less than the first cause of the disease. This kind of knowledge, and this alone, is what a rational, sensible, and enlightened people demand. Ninetenths of the physicians of the age are totally unfit for their position, as the power to trace effects to the cause belongs to the few. This bold assertion requires me belongs to the few. This bold assertion requires me belongs to the sensible, and my have a reprof. Every house in the land has the proof within its own doors. Disease reigns and triumphs in every home, and is transmitted from parent to child, and from generation to generation, thus entailing on our loved ones a life worse than death.

How correct is the sentence: "My people perish for lack of knowledge." A wake! awake! ye slumboring world, and betake yourselves to thought! Think, and live! Diseased individual, whoover thou art, remember that there is but one root in the human system which gives birth to and sustains the life of disease, and that no earthly power can remove your disease except this root be destroyed. ASTHMA, PHTHISIC, AND CATARRIU OF SEVERAL YEARS'
STANDING CURED.

It is with heartfelt gratitude to God that I am enabled to give the following certificate, for the benefit of the suffering:

When a little girl at boarding-school, on the banks of the Hudson, I suffered severely the first year from Phthisic, which soon began to take the form of Asthma. It soon became necessary to remove me from the air of the Hudson.

No language can describe my sufferings for fourteen years. No language can describe my sufferings for fourteen years.

My family removed me to different climates, thinking some atmosphere could be found where I could breathe more easily—but all to no purpose.

Some years since Catarrn atso made its appearance. My asthma was so severe that I was almost constantly suffering from an attack (which always confined me to bed for several days), or the effects of an attack. My bedroom had almost become an hospital; burning saltpetre paper, smoking stramonium, &c. &c. Mutsard poultices had become, as it were, a second nature. I was reduced to a skeleton, and often at the point of death. My family no more thought of raising a corpse from the grave. Almost everything thought of corpse from the grave. Almost everything thought of reard behalf, and I fully believe had I not been blessed with a most devoted sister, who watched me by day and night, applying remedies necessary to aid me in breathing, before my attacks gained on me, I would long ere this have passed from I ime.

I have been under the treatment of the first physicians in New York and Philadelphia, but they could afford me no relief.

When I first began to use Mrs. M. G. Brown's "Metaphysical Discovery" I was thought to be dying: I soon felt my Catarth breaking up and disappearing. For eight months I have not had an attack of Ashma, which I could not say for years and years previously. Wonderful! I feel unspeakably thankful for this, and seem in a new world.

I expect to travel considerably for some time. All letters addressed "E." Box 32, Philadelphia, P. O. will reach me, and will meet with a prompt reply. At any time I may be where an interview may be had, I will notify the writer of the same. Ing of sale.

NEURALGIA.

CERTIFICATE OF MR. J. P. LITCH, OF CHARLESTOWN.

This is to certify that nine weeks since I was attacked with Neuralgia in the most violent form. Several physicians were applied to, who did all they could to relieve me, but to no purpose. Every ratent medicine and remedy that could be found were applied without effect. My face was poulited and bandaged in order to find relief. Since the Neuralgia stracked me I lost twenty-seven pounds of fesh. In this state a friend of mine recommended me to try Mrs. M. G. Brown's Metaphysical Discovery, as it had cured a friend of his very basical Discovery, as it had cured a friend of his very basical Discovery, as it had cured a friend of his very basical Discovery, on Saturday, the nineteenth instant. I applied it at 10 clock in the alternoon. The result was that Neuralgia subsided. Almost immediately I felt relief. I slept well, without any poultices as before; and at the time of giving this certificate, the 21st inst., I consider myself delivered from my disease, and recommend the Metaphysical Discovery to all who are suffering.

CATARRH CURED.

MR. JEROMS A. O'CONNOR, of OLD CAMBRIDGE.

This is to certify that I have been tronbled with a bad catarrh for the last five years. This winter it became unusually troublesome; so much so that I was obliged to rise at night, owing to the mucus, which would have suffocated me. I obtained Mrs. M. G. Brown's Metaphysical Discovery some weeks back, used it faithfully, and the result is that my catarrh began to give way at once. I felt relieved from what had been so troublesome and offensive to me, and now consider myself a cured young man, being entirely delivered from the terrible disease of catarrh. My sister has also been diseased in her head and eyes from childhood; so much so that the family thought she could not live. In the use of the Discovery she has received equal benefit with myself. We cordially recommend the Metaphysical Discovery. I, S. C. Chase, of Cambridgeport, do certify that I have been troubled with a bad catarrh for upwards of thirty, years. I obtained Mrs. M. G. Brown's Metaphysical Discovery, and in ten minutes after using it found relief that I had never found before. I have used the medicine faithfully, and believe it went to the root of my disease: and I feel as it catarrh was eradicated from my system, the foul effects of the sad disease having ceased. My wife also has been suffering from a complication of diseases. On using the discovery clotted blood and matter rushed from her head, and she found immediate relief, and has been gaining in her general health ever since. Under these circumstances I heartily recommend the Metaphysical Discovery to all who suffer.

CURE OF DEAFNESS.

I, Thos. Dooly, No. 1 Jenkins Place, Commercial street, do certify that I have been deaf for npward of four years. I obtained Mrs. M. G. Brown's Metaphysical Discovery, and have been using it for about one month, and the result is that I have obtained the perfect hearing, for which I feel grateful to God and Mrs. M. G. G. Fown. Her first trouble was womb compliaint, which confined her to bed for seven weeks. Diseases for eight years, Her first trouble was womb compliaint, which confined her to bed for seven weeks. Diseases of various kinds set in, one after another, till my wife became almost a perfect week. She has been under the treatment of ten prominent physicians, all of whom failed to give her any relief, and she was fast inking in the arms of Death, it is more than four yearssince she was able to attend to household duties, and I had been compelled to employ a housekeeper. We had given up doctoring as useless. Some time ago my housekeeper, very providentially, went to Kingsessing, Pennsylvania, to see her sister, when she learned that Mr. John Richmond (her sister's neighbor) had given up work and was at the point of death; but sending for Mrs. Mf. G. Brown's "Metaphysical Discovery," and using it faithfully, had been restored to health, and was up and at work again. When my housekeeper came home she told mathe circumstances, and prevailed on me to write to Mr. Richmond for the purticulars. I did so and received them. We then sent for Mrs. M. G. Brown's "Metaphysical Discovery," and my wife has used it faithfully. The result is her womb complaint has entirely gone, and she can now do the work of her house. I consider that disease is fast leaving her system, and she is regaining health. Her eyes, which were very weak, are clear and strong. I unhesitatingly as stribe my wife is recovery from the jaws of death that recommend the stribus of the work of his months afflicted with a separation of with the condition relief to my wife is recovery from the jaws of death any person wish to call in reference May be examined at So'clock on the morning of the sale.
