SURF HOUSE, ATLANTIC CITY, N. J.-This popular HOTEL will be opened as usual, on the 20th of JUNE. The house possesses advantages what are enjoyed by no other hotel at Atlantic City. Its immediate proximity to the ocean, the magnifi-cence of the bathing opposite it (which was never so fine as the present season), the cartainty of constant cool pregreg from the asses, all comine to render the house a most destrable place of summer resort. The undersigned need scarcely speak to his old patrons concerning the table, attendance, for, and he will only remark that he is determined that the barr House shall continue to maintain its well-established reputation. A band of music has been engaged for the season, and such of the guests as enjoy dancing will be afforded full opportunity for hops. The railroad facilities between Philadelphis and At. Inatics are full and complete, while a passenger car con-veys guests to and fro between the Surf House and the "infel" at short intervals. Edmund James was before Ald. Welding yesterday, on the charge of emoking a cigorin Franklin Square and running on the grass contrary to law. He was arrested by the new superintendent of the Square. The Alder-man fined him five dollars. Let this be a warning to others who would indulge in smoking where it is posi-tively forbidden.
