You will find no better place than CONGRESS HALL; it is the necrest to the ocean of any of the large houses of Atlantic City, being but 100 yards from the Beach, thus presenting itself an advantage to the public. There cannot be any better bathing than Atlantic this summer; the Sand Bar, that was such a great draw-back last season, has all been swept away by the high tides of last winter, forming itself the lest Bathing Surf on the Atlantic Sea Board.
