WHEN DR. JOHNSON asked the Widow Porter to be his wife, he told her candidly that he was of mean extraction, that he had no money, and that he had an uncle hanged. The widow replied, that she cared hothing for his parentage, that she had no money herself, and though the had not a relation hanged, she had fifty who deserved hanging. So they made a match of it. The widow and the Doctor were sensible people, and would, no doubt, were they alive, recommend all similarly situated to purchase their wedding suits at the fashionable emporium of Granville Stokes, No. 609 Ohestnut street.

THE GREATEST bore in the Sanitary Fair is the Rodman gun, the twenty-incher, in the "Arms and Trophies" Department, and we would consider the drawback of the trigger of that gun one of the greatest drawbacks in the war. The above gloomy puns are induced by the excessive heat of the weather, notwithstanding we were clad in the coolest of suits, from the establishment of Charles Stokes & Co., under the Continental ; we would not have made such a remark in our cooler moments.

A CONVENIENCE TO EVERYBODY .- The patent Pocket-Book and Currency Holder combined, manu-factured by Mason & Hughes, No. 44 North Sixth street, is the most convenient and durable nocketbook ever invented. It is compact and admirably

arranged, holding the largest quantity of notes in the smallest bulk. The advantage of it can be seen at a glance. Every person needs one of these convenient little receptacles, and retail dealers would do well to keep up a supply. 11

THE UNPARALLELED SUCCESS which, for twentyfive years, has attended the use of Jayne's Alterative, enables the proprietors to recommend it to the

afflicted with entire confidence, believing that it will effectually eradicate from the human system the diseases for whose cure it is designed more promptly and thoroughly than any other remedy of its class. It has been found particularly beneficial in

CANCER AND CANCEROUS AFFECTIONS OF all kinds, curing a majority of the cases in which it has been used, and ofttimes after the failure of other remedies.

GOITRE, OR SWELLED NECK .-- In innumerable cases of this disease in which Jayne's Alterative has been perseveringly used it has never been known to fail. All have been oured who have continued its use according to directions.

- DROPSY AND DROPSICAL SWELLINGS.--Many physicians who have used the Altorative in diseases of this nature consider it a specific, so great has been its success. It acts by increasing the powers of digestion, exciting the absorbents into healthy exercise, whereby the water or calcareous depositions and all unnatural enlargements are reduced.

EPILEPSY, FITS, CONVULSIONS, are usually conaddered incurable, and yet experience has proved that the Alterative, in conjunction with the Sanative Pills, will cure a majority of cases. It should be tried, therefore, by all who are subject to these terrible afflictions.

SCROFULA.-In all the forms of this disease, whether in that of Ulcerations of the flesh and Bones, Enlargement of the Joints, Glands, Swellings, Eruptions, Tumors, &c., the Alterative has been found pre-eminently successful. It enters into and circulates with the blood, thus destroying the virus or poisonous principle from which these dis-

SKIN DISEASES, of all kinds, Scald Head, Tetter, Salt Rheum, Ring Worm, Boils, Pimples, Blotches, Roughness of the Skin, &c., are readily cured by the

RHEUMATISM AND NEURALGIA.-In chronic eases, this Alterative, if perseveringly used, is generally successful. In Acute Rheumatism, Jayne's Liniment should be applied in connection, according to directions.

COMPLICATED AND MIXED DISEASES, Nervous Affections, Diseases of the Heart, Dyspepsia, Liver Complaint, Constitutional Diseases, and diseases originating from a depraved or imperfect state of the blood, are all cured by Jayne's Alterative, and while it is a fault in many medicines that, when -they are removing the disease they are also prostrating the patient beyond recovery, the Alterative thas no such drawback. While neutralizing the virus of disease at its very source, it sustains the strength of the sufferer. The union of Disinfectant. Tonic, and Decostruent properties in this medi-cine, and the fact that all these influences are blended harmoniously in its operation, distinguish It from all other preparations. Let the afflicted give it a trial.
