Reselved, That we will employ all just and lawful means to agitate the public mind that a righteous public sentiment may exist on this subject.

Reselved, that the League formed by the colored people of this city is hereby recommended to raise a distinct fund to agitate the subject by the press and all other moans consistent with the daty of orderly etitzens.

Reselved, That we do now and here. In this raceting assembled, appeal to Christian Churches of this city, of every denomination, to exert their influence that this wicked proscription may cease.

Reselved, That in the sight of our present national struggle no more shameful sight can be presented to an intelligent, sensitive mind, than that of respectable females standing upon the platform of empty cars, with sons, husbands*, and brothers beside them in United. States uniform, ready to defend the rights and property of those railway corporations which treat them thus indignantly and demand full fare.

Reselved, That we recognize with pleasure the consistency of the Union League of New York in using influence and appointing counsel to defend the loyal people of color from just such outrages as we continually auffer in this city.

Reselved, That the white citizens of this country are at this moment arraigned at the bar of retributive justice for their inhumanity to the people of color, and there is no logical hope in the mind of any same man that this trial will close until justice is done our outraged people.

*Revy Jonathan Gibbs make a short address in sup-REPRESENTATIVE RECRUITS.
OFFICE CITIZANS' VOLUNTERR SUBSTITUTE COMMITTEE, No. 422 WALNUT Street, July 25, 1884.
Gentlemen not liable to draft, and ladies whe desire to put into service Representative Recruits, are informed that this Committee will endeavor to procure then, on receipt of ONE HUNDRED DOLLARS, which is paid to the Heruit in addition to the City and Government bounties.

As the War Department has decided to pay to such Recruits for three years the U. S. bounty of Three Handred Dollars, they thus receive in all SIX HUNDRED AND FIFTY DOLLARS.
The patriotic of both sexes will thus be enabled, at a moderate expenditure, to have themselves represented in the armies of the Union, and to aid the Government in the most efficient meanner.

PHILLIPS OIL COMPANY.-IN these days of bogue oil commanies it is really retreshing to be smalled to give to our readers the name of a good, reliable oil company, under the control of practical men, with a safficient amount of capital to develop thoroughly their possessions. We see the practical men, with a sufficient amount of capital to develop thoroughly their possessions. We see the names of many oil companies paraded in the Eastern papers that we have good reason to believe are bogus. At least, nothing is really known here, where their lands are said to be located. The PHILLIPS OIL COMPANY consists of John Minhall, (ii) City; Josiah King, of Pittaburg, and Cochran & Russell, of Poltadelphia. The capital stock of said company is \$200.000. Their possessions consist of valuable oil leases on the Gregg, Wash, McClintock, Widow McClintock Farm, and on the Cornplauter tract of the H. McClintock Farm, Several of the wells belonging to this Company are producing a sufficient amount to pay a handsome dividend on their capital stock. smount to pay a handsome dividend on their capital stock.

In addition to their property on Oil Creek, this Company have a large tract of land in the neighborhood of Mecca, Obio. They have twe wells on this property, and intend to bore them to the depth of 1,200 feet. We can commend this company to the public as being possessed of good 6il territory, as well as being men of strict integrity and fair dealing. They are busily engaged in the development of their lands, and we think the stock is as good an investment as any to be found in the market. We know both the land and the mea, and caff cheerfully recommend them,—Oil Cily Re-pister. legible.

A. L. Winne, Esq., Agent for Lillie's Sufes, Chicago,
I hereby send you some woodwork from the sefe of
Mr. Ross, which, in a circular of Herring & Co, is
stated to be "burned to asks or a perfect charcoal."
The woodwork that is yet in the safe is perfect, except
charred a little, not withstanding they doubtleas set fire
to it by letting the air in when opened, and allowing it
to burn after taking out the contents. There is no doubt
but if proper judgment had been used in opening the
safe it could have had a new door, and, with very little
expense, be fit for use again, and everything in it preserved perfect

Mr. Ross was in your store, but did not let himself be
knewn at the time he gave H. & Co the letter. They
offered him ShO for the old safe. He states that he had
eight of his nine thousand collars with him. The safe
was not one of Lillie's, but a small size of World's Safe
Co., ISSI make.

Yours respectfully,

E. T. SEYMOUR.

Now, what are the facts in this case? Simply that the THE BOOKS OF SUBSCRIPTION to the Capital Stock of the Company above referred to are NOW OPEN for receiving subscriptions, at the Office of the undersigned, where any further information in relation to the affairs of the Company can be obtained. H. F. KENNRY,
Superintendent. Now, what are the facts in this case? Simply that the Safe was not Lillie's hut made in 1831 by the World's Safe Cofingary, when they used fire prick for filling, and not made as Illie now make Safes; and instead of use contents being burned to ashes, they were mostly preserved, and with proper care the whole might have been, and the Safe was in the heat filteen hours instead of thirty min tres. I would say, also, that I have on hand, and now coming io, some ten to twelve of Evans & Watson's middle sized Safes, just exchanged for Lillie's, which will be offered at below auction prices, besides a large number of other makers.

I would statefurther that these Safes were not exchanged for Lillie's Safes on account of secret circulars falsely representing the felluras of Evans & Watson's Safes, or others, but simply from the fact that the owners had more confidence in one and one half to two against titles me of the burglar.
