LABOR, INCOME, AND REVENUE.

Notwithstanding the Fair has been closed for over a month, yet the machinery of the Committee on Labor, Income, and Revenue continues at work. Yesterday, Mr. Duncan M. Mitcheson, by request of Mr. Claghorn, made another large payment to the treasurer of the Sanitary Fund. As a matter of interest, it may be stated that the receipts of this popular committee, so far, reach the handsome sum of \$225,000. The members of the committee hope that when the "balances" come in they will be sufficient to swell their receipts to the respectable sum of a "quarter of a million."
