The moment the wolf endeavored to seize one of the deer the other would strike him with his fore-legs. The wolf would immediately leave and at-tack the one that struck him. This strange contest continued until the wolf seized the largest by the throat and tenaciously held on until he brought him down. The other sprang with great force upon the wolf and out him fearfully. The wolf slunk away, leaving one buck dead. The wolf was atterwards found dead a short distance from the field of battle.
