The individual who was driving the Kensington Engine in the parade on Friday afternoon was ar-rested for drunkenness and disorderly conduct. At first he was requested by one of the spectal atds to the chief marshal to behave himself. He refused, whereupon his arrest was ordered, and Officer Shur-lock was called to discharge the disagreeable duty. The officer was immediately beset by several fire-men, and in the souffle he lost his badge of authori-ty and the prisoner was rescued. This occurred at Eighth and Washington streets. At Twelfth and Arch streets the driver aforesaid again became dis-orderly, when he was taken into outsody and locked up for a hearing. The prisoner was held to bail to be of future good behavior.
