THE UNDERSIGNED A COMMENT.

TEE appointed by the Bounty Find Convention of the several wards, for the purpose of recruiting for the benefit of deficient wards, in antispation of the coming draft, impressed with the importance of the subject, desirch their fellow-dittens to nutie with them in an effort to fill the city's quots by obtaining volunteer recruits. To do this before the 5th of September will require the most earnest and vigorous exertions, and the Committee appeal to the patriotic and public spirited to aid them by their influence and by contributions of the necessary means to offer inducements entre the hose offered by other communities. The Committee have appointed a sufficient number of recruiting line tensus in various quariers of the city, and all recruits and, of course, will benefit most largely those that are most deficient.

By united and continued effort the Committee hope, if not to avoid the d. aft altogether, at least to reduce it to insignificant proportions.

The whole number required to free the city from the draft was, on the first of August, about 9,000. From this number is to be deducted those who have been recruited since that date, and nuch credited to us; also, from persons enlisting in the navy from the city and who have not been credited to us; also, from persons enlisting in the navy from the city and who have not been credited to us; also, from persons enlisting in the navy from the city and who have not been credited to us; also, from persons enlisting in the navy from the city and who have not been credited to us; also, from persons enlisting in the navy from the city and who have not been credited to us; also, from persons enlisting in the navy from the city and who have not been credited to us; also, from persons enlisting in the navy from the city and who have not been credited to us; also, from persons enlisting in the navy from the city and who have not been credited to us; also, from persons urnished at this office, which must be guaranteed by one or more persons known at this office to be responsible.
