Christian Commission—An Incident. Christian Commission—An Incident.

To the Editor of The Press:

Sir: About three weeks ago the writer was a passenger on a West-bound express train of the Pennsylvania Central. Among the many passengers was a very sick soldier and his devoted wife. She had been watching with him for weeks, in a hospital near Washington City; and, in their anxiety to get home, they had started to soon. He seemed to sink with exhaustion, until, unable to sit alone, he reclined upon his wife's shoulder. The wife wept, and those near by could scarcely refrain from tears as they looked upon the pale, emaciated soldier and his care-worn wife. Presently a young, delicatelooking man approached, wearing upon his left breast the badge of the Christian Commission. He entered into conversation with the soldier's wife, and soon manifested a deep interest in hor case, and that of her sick husband. He aided in supporting the weak man, greatly to the relief of the wife. Atter going a few miles, at a stopping place the delegate left the car a moment, and returned with a good supply of delicacies, such as would refrest the sick man and his worn-out companion. He pald constant attention to the two until, arriving at Pittsburg, he could go no farther with them. He left the car as soon as it stopped, but soon returned, handing the lady checks for her baggage, which he had rechecked to her order. Then he obtained help and carried the sick soldier tenderly to another train, and had the two comfortably prepared for their journey farther. He then offered the lady some money, which she politely declined, as not in need of it. The delegate of the Commission then took leave of the sick soldier and his wife, and both wept tears of gratifued, ultering their "Goo bless you and the Christian Commission you represent." I never before know much of the Commission, nor did much for it. Hercatter Ishall. A LADY PASSENGER. To the Editor of The Press: CITY COUNCILS. SELECT BRANCH. Mr. Honddon (U.) stated that the evidence was always read to the witnesses, and that Mr. Reilly did swear as reported, though Mr. O'Rourke was not then a member of Councils, not having taken the oath of office. the oath of office.

Barger, of the House of Representatives of Pennsylvania, for the labor they had been at in securing the passage of a law allowing the City Councils to tax personal property. passage of a law allowing the City Councils to tax personal property.

Mr. Cresswell (U.) moved to indefinitely postpone. He was thred of lauding and thanking men for doing their official duty.

Mr. Loughlin thought that too much thanks could not be passed upon these gentlemen for securing the passage of this bill. The manner of taxing ratestate alone and allowing personal property to be strely exempt was unjust and oppressive.

Messrs. Briggs (U.) and Gray (U.) also favored the passage of the bill.

Mr. Taylor (U.) declared that the conscientious discharge of public duty in these days of progress was a rare thing, and he moved to amend by adding the names of all the members of the Senate and House of Representatives who had voted in favor of ouse of Representatives who had voted in favor of Mr. Briggs (U.) was in favor of adding after Mr. Barger's name the words, "and such other gentlemen who favored the passage of the bill." Mr. GRAY (U.) called up an ordinance authorizing an additional loan of not more than one million and a half of dollars for the payment of bounties to volunteers. The ordinance provides for the payment of six per cent. interest semi-annually, and for the payment of the principal in thirty years, and not sooner. The bill passed. Mr. HENRY C. ORAM (U.), of the Fourteenth China cases 136 \$713 Olive Oil, cases 475 China cases 8 453 baskets 50 Mr. EVANS (U.) offered an ordinance authorizing the constables of the city to confine persons arrested by them in the police station houses or lock-ups during such time as may be necessary to give the person so arrested a hearing before a magistrate, and all persons committed to the County Prison by any aldorman of the city in charge of a constable, shall be received into the station-houses free of charge, and the officer in charge of said station-houses and the city vans shall be held responsible for the safe keeping and conveyance to prison of said persons. The passage of this ordinance would do away with the necessity of constables taking all their prisoners to the County Prison, as is now the custom, and they could be taken to the nearest station-house and sent to prison at the time that was referred to the Committee on Law.

ADDITIONAL APPROPRIATION TO HIGHWAY DE-CONSTABLES AND PRISONERS. ADDITIONAL APPROPRIATION TO HIGHWAY DE-The Chamber took up the bill making an additional appropriation of \$97,900 to the Highway Department, which was postponed from the last meet-Mr. Loughin (O.) opposed the bill. Councils had already appropriated \$247,150 to the Highway Department. In the streets of Philadelphia we

priations which had been made had been entirely expended, and it was necessary that the streets should be put in order. It was known that all materials and labor had increased one hundred per cent., and this advance in price could not have been foreseen at the time of the annual appropriations. He was proud to say that the citizens of Philadel. He was proud to say that the citizens of Philadel. The was proud to say that the citizens of Philadel phia had come forward so nobly in making appropriations for bounties, and for the means of carrying on the war. For this purpose a large amount of money had been raised, and the bulk of the appropriations will be found to have been expended for military purposes. The former Commissioner of Highways, by leaving work unfinished, had caused the expenditure of a large proportion of the appropriations to the department, and he hoped that if members refused to vote for the bill they would not come to the Committee on Highways to complain when accidents occurred by reason of want of repairs to streets. He hoped that no party bickering would come in between members and their duty; and he hoped that if the repairs to streets were necessary to be made, the Chamber would come forward, and make the necessary appropriations.

Mr. Evans (U.) was not surprised to see the figures paraded here by the gentleman from the Second. If the expenditures be greater than the income, the fault lies with the Democratic side of the house; they thought it was a good bait to catch fish with. The reason that the gentlemen on the other side opposed the bill was because they were afraid of it being used for political purposes. That was well known, and the secret might as well be told.

(Before Mr. Alderman Butler.) SELLING LIQUOR TO AN INTERRIATE.

A man named Walter Barry was arraigned on yesterday morning, on complaint of a woman charging him with selling liquor to her husband after having been admonished not to do so. The accused was bound over to answer at court. [Before Mr. Alderman Beitler.] ADMITTED TO BAIL. Lloyd Douglass, the colored man charged with shooting an individual named Sider, at the Log Cabin, on the Wissahickon, has been admitted to bail, the wounded man being out of danger. FINED. The driver of a passenger car on the Eighth-street line was fined, on Wednesday, for stopping his car at Eighth and Chestnut to await the arrival of pas-sengers. Cars are often permitted to stop here as

well as at other street-crossing, much to the annoy ance of citizens generally. ROBBERIES. The tailor store of Mr. S. Watson, on South Tenth street, was robbed a few nights since of ready-made clothing to the amount of about \$400.

Two boys very adroitly opened a show-case in front of the store of Mrs. Emily O'Donnell, near Fourth and South street, on Wednesday evening, and stole therefrom a bonnet. They escaped with the property.
