It entirely obviates and silences the only objec- tion to hoop skirts, viz: the annoyance to the wearer as well as the public, especially in crowded assemblies, carriages, railroad cars, church pews, or in any orowded place, from the difficulty of contracting them to occupy- ing a small space. This entirely removes the difficulty, while giving the skirt the neual full and symmetrical form, and is the lightest and most stylish and graceful appearance for the street, opera, promanade, or house dress. A lady having enjoyed the pleasure, comfort, and grest convenience of wearing the Duplex Elliptic Spring Skirt for a single day, will never afterward willingly dispense with the nee of them. They are the best quality in every part, and by far the lightest, most durable, comfortable, and economical skirt made. Mer- chants will be supplied as above, and ladios in most first-class retail stores in this city and throughout the different States.	Australia. By which in the function of a refurned Austra- lian.
