About five years ago I was taken with a severe cold, which gradually passed away, leaving my throat in an inflamed and irritable condition. I applied to an Allopathic Physician, but without any relief. My general health also failed, with symptoms of Consumption. I commenced taking medicine, and was under the medi-cal treatment of five different physicians (also used Pa-tent Medicines), but received no relief. My throat continued growing worse, and my general health continued to fail. In April, 1863, I addressed a letter to a physi-cian in New York, that I had been taking medicine from, enclosing five dollars for medicine. Scon after dropping the letter in the office, I heard of Dr. Brown, Electrical Physician. I concluded to call, and, after hearing his explanation of my disease and mode of treating, I had the letter taken from the post office, and ancinded to go under his treatment; and can say, after concluded to go under his treatment; and can say, after going through his course of treatment, I am relieved of disease.
