After I returned to this city I had several pulmonary attacks here, some of acute imflammation upon the lungs; was treated by the most eminent medical men, but the cause of my difficulty remained unmoved. No medical man has been able to do me any permanent good by medical treatment. About three weeks ago I had a most severe attack of inflammation upon the lungs; my sufferings were indescribable. I resorted to medical treatment, which seemed to be unavailing, and I seemed rapidly sinking in the arras of death, when I chanced to see J. I. Bally, 219 Market street, who had been cured by Professor Bolles, of 1220 Walnutstreet, Mr. Bally advised me to see Professor Bolles at once, which I did, and in ten minutes (as strange as it may appear) I was perfectly free from my sufferings. At the time Professor Bolles treated me-twas suffering with the most severe spas modic cough, without any expectoration. It seemed I could not live an hour. He has treated me four times since, and Lam perfectly relieved. This cure to me is still a wonder of wonders. No shocks given; all was pleasant and agreeable.

I would cheerfully invite all the sick to avail themselves of this new practice. I shall ever feet thankful to Mr. J. J. Bally for informing me where I could be cured.

In the spring of 1862 I was taken with a constant pain and uneasiness in my stomach, which gradually increased until November. At this time an eminent Allopathic Physician was called in, who pronounced the disease Dyspepsia. Medicine was prescribed, but failed to cure the disease. I sent to Philadelphia and procured a box of a celebrated Dyspepsia medicine, advertised in the papers. After using that I experienced no relief. The disease continued growing worse, until March, 1863, when hearing of the wonderful cures performed by means of Electricity, I concluded to have it applied, and can say, that after about twelve treatments applied by Dr. Brown, was entirely cured, and continue so unto this day.

Dr. P. Shedd; Electrician, &c.:

Dear Sir: Permit me to express in this informal manner my appreciation of your high professional ability, as exemplified in your attention to me personally, while connected with Dr. Chamberlain of this city, now with Dr. Brown, at 1220 Walnut street. Philadelphia. My disease was one of long standing, and difficult to detect as well as difficult to treat, and I assure you, that having been under the treatment of several physicians before I came to you, none were able, or if able, they failed the treat me with even a moderate degree of success. It remained for you, by your skill, to detect my difficulties, and by your careful and faithful treatment of me; to place me on the road to perfect health.

Accept, dear sir, my warmest thanks for your attentions, and my high estimate of your skill in the application of Electricity as a method of cure.

Yours, respectfully. CYRUS COMMINGS. ELLIPTIC (OR DOUBLE) STEEL J. W. BEADLEY'S

Dr. W. B. Brown.

I had been afflicted with Rheumatism since April last very severely, it extending over the entire body, causing the most excruciating suffering. For several months was under the best medical care, but grew no better, and finally gave you a call and placed myself under the carefol Mrs. S. A. Fulton, female operator of your establishment. In two weeks I was relieved of all pain, and am now perfectly well. I gladly recommend all ladies suffering to her kind care.
