Apply to The valuable Oil territory of this Company is located on the Kenawha river, Gilmore county, West Virginia, some distance above its confinence with the Ohio at Farkersburg (the terminus of the Baitimore and Ohio Railroad), and lies directly uson and in a direction across the great "Oil Belt" of this region (as may be seen upon the map), in the immediate vicinity of the wonderful "Buning Springs," now regarded as a sure indication of the presence of oil, from the fact that it is the oil gas that rises to the surfaces and burns upon the water. This property consists of an area of 1,185 acres of magnificent oil and mineral lands, of which the Company owns an undivided half interest in fee simple, extending 1½ miles on the Kangwha river, which is nayigable to the Ohio. Other streams, tributaries of the Kanawha, traverse this tract, presenting along their margins every surface indication of z-rich yield of oil. The Company olds the rish to put down wells allover this extensive boring surface, and oil has already been discovered on this property, near the river, at the depth of 35 feet. The sinking of two wells to the depth of 300 feet, if necessary, was provided for in the purchase of the land, all of which is paid for without touching the working or reserved capit all of the Company. In addition to this, the Company owns an important interest (also paid for) in a well located within 400 yards of the great Lewellyn well, which has flowed 2,500 barrels per day, and is directly among the celebrated Rathbone group (see mat). These are, it is said, the greatest producing wells in the country. The former owners of this well were forced to abandon it on the breaking out of the rebellion, but the Company has now made arrangements to reopen and tuos it, when a large yield of oil may reasonably be expected from this source alone. In addition to the above described properties, the Company owns in fee simple some 400 acres of mineral lands in Fennsylvania. This Company is most fortunate in possessing every facility for rapidly RICH TURKEY MOROCCO, ANTIQUE, RE-LIEF, AND GOLD. DIAMOND AND GOLD JEWELRY. G. M. TROUTMAN. OIL COMPANY.
