## THE CITY.

#### MILITARY. RECRUITING.

Councils yesterday passed over the Mayor's veto the ordinance appropriating \$400 to each volunteer credited to the city of Philadelphia for one year; and giving to citizens the sum of \$300 each for each substitute put in by them for three years. Recruiting since the issuing of the President's last call in this city has been virtually at a stand, owing no doubt to the larger amounts given in adjoining

doubt to the larger amounts given in adjoining States and counties, and to the doubtful condition in which the amount to be given to our volunteers was allowed to remain. Now that the matter is a certainty, it is to be hoped that the several wards get their committees to work, and we may yet in the time that remains fill our quote and avoid con-scention. -----

CORONER'S INQUEST. CORONER'S INQUEST. Coroner Taylor yesterday held an inquest upon the remains of the victims of the explosion at the fire-works establishment in West Philadelphia, on the day previous. The most therough investigation was made during five hours, but no evidence could be elidited tending to throw any light upon the sub-ject. The jury rendered the following verdict: That Philip Flyhouse, Edward Colweil, John Kain, and John E. McCue came to their death, on the morning of the 25th of January, 1865, from an explosion of freworks at the shop of Chas. Fry, on Market street, below Forty-first; we are unable to say, from the testimony before us, what was the cause of said explosion, the only persons who could have given any information upon that subject being the deceased, and they having been almost instant-ly killed.
