The subscriptions to the insurance fund of this ward have been largely increased, and it is believed that there will be sufficient funds raised to entirely xempt those who may subsc ribe from the paymen of any money, other than the insurance, to procure a substitute. Mr. O. D. Cassiday, Market, below Tweifth, is the treasurer of the fund, to whom those liable to draft should immediately apply. This will be the last day when such an opportunity will be afforded, as the draft will take place on Monday. NO DRAFT IN THE TWENTY-SECOND WARD.

The Twenty second ward put in the last man of their quota yesterday. WHAT DRAFTED MEN RECEIVE.

WHAT DRAFTED MEN RECEIVE. By ordinance of Councils, signed by the Mayor, overy citizen who sends to the war a representative recruit for three years is paid the sum of \$300, and to each drafted man accepted for one year's service, or who furnishes a substitute, \$400 is paid. An or-dinance of this kind is just what is wanted to pre-vent the misories attendant upon forcible conscrip-tion. By reason of it, a citizen going to the war has the power of leaving his family in comfortable cir-cumstances till his return, or if he prefor remaining at home, a great help towards providing a substitute is put into his hands.

CORRECTION. The return of James S. Dell, of Tenth ward, was, by a mistake of the types, published at \$1,525. It should have been \$8,525. RECRUITING.
