Surgeon General Penna. OIL COMPANIES. THE PEOPLE'S EQUITABLE OIL COMPANY PHILADELPHIA, NEW YORK, AND BOSTON. TWENTY-FIVE CENTS PER SHARE FOR FULL CAPITAL, 250,000 SHARES, AT \$1, PAR. WORKING CAPITAL, 100,000 SHARES, OR \$25,000. The equitable basis upon which this Company is formed, and the character of its interests, should commend it to those about investing in Oil Companies.

Our plan differs from that of other organizations, insamuch as that every person who subscribes enters th "GROUND FLOOR," as it is termed, or, in other words, becomes a purchaser of the property, and shares all the profits; therefore, in order that all, both RICH AND POOR, may be enabled to participate, it has been deemed advisable to issue the stock at the remarkably low price of 25 CENTS PER SHARE, hereby enabling persons of limited means to secure ar nterest at a small cost, with every prospect of speedy ind handsome returns. and nancsome seturns.

The property consists of 238 acres, in French Greek
township, Venango county, Pennsylvania, and but a
very short distance from the "Adamantine Well." of wo hundred barrels, struck last week, on East Sandy Oresk.

No. 1 is a lease of twenty years, free of royalty, of 100 acres, on West Sandy Creek, four miles from Franklin, and immediately adjoining the town of Waterloo; has a frontage of one hundred rods on the eresk, and has a frontage of one bundred rods on the sreek, and over fifty acres of flat boring ierritory. The railroad, now finishing from Jamestown to Franklin, passes within fifty rods of the property.

No. 2 is 183 acres, in fee simple, half a mile from the above, on Seaton's Run, a tributary of West Saudy. The run passes through the property, thus farnishing a long stretch of boring territory on both sides.

There is also a heavy yoin of coal in the bluffs. The officers of the Company feel justified in present-ing the following estimate of what, with vigozons. management, the above lands can be made to yield for the benefit of the stockholders in a comparatively short THE "STEWART FARM."

There is room on this for one hundred lots of ten rods square, all of which can be leased immediately for one-half the oil, free of all expense to the Company.

Bestimating one well to each lot (one hundred wells, although there is room for three hundred) at the very moderate average of ten barrels each, would make a Daily product of the company's shape would be for blighted. Three wells will be put down without delay.

He shall receive all his bountles in cash, and be tached to the corps of the brave and gallant HANCOCK. This war will be ended in sixty days if every than and woman in the constrys will do all in their power to send men to the army. There are enough discharged soldiers willing to return to the front, if proper means are used to induce them to go, to enable General Grant to take Richmond, destroy Lee's army, and end the war without the aid of the Pease Gommissioners of Jef Davis. Let us procure them and send them the war without the aid of the Fease Gommissioners of Jeff Davis. Let us procure them and send them forward.

THE BIRNEY BRIGADE.

General Hancock is now recruiting, under the orders of the War bepartment, a corps of Veterans—men who have seen service for two years or more, and have been honorably discharged from the service of the United States. It requires very little argument to prove that such men are worth infinitely more than ten times their number in raw recruits or bounty jumpers.

After the Brigade is formed, a Roll of Honor will be published for gratuitous distribution, by Benj. Franklin, the Chief of Detective Police of the city of Philadelphia, sontaining a list of names of all the men enlisting in the Brigade, the number of battles seah man has been in, and the various gallant actions each one has performed. This will be the proudest legacy that can be handed down to your children.

EKFRERENTATIVE RECRUITS.

In the proposed brigade any man or woman desirous of sending a representative recruit to the army oan de so by the payment of \$50 to, any of the gentlemen named. of any of the following committees. Of this sum \$25 will be peld to the recruit, and \$25 will be retained by the Treasurer of the Committee to defray extraordinary expenses, including music, printing, &c., &c., incident to raising troops. Let every man and woman in the State, who desires to be represented in the army come forward and make this investment for the pairpose of strengthening the ranks of the army. Do not wait to raising toops.
