The developments now-being made in this locatity, combined with the lake strikes on Pit Hole Creek, and other tributaries of the river, show and establish conclusively the fact that time and labor are the only necessary requisites to the obtaining of large paying wells on this territory. The land is subject to two leases of one-half acre exch, the Company receiving one-half the oil, and being at no expense.

Second. One-quarter lease-hold lots Mos. 43 and 49. 2. One sayd three quarter acres, in fee simple, on Oil Greek, on the Fieming farm. This tract is known as the "Stewart Farm," and is clear of all leases or incumbrances of any kind.

There is now in operation a fifty-barrel well (beside roverla) smaller ones) on the Cochran Farm, which adjoins this on the south. In fact, the "Stewart" Farm is surrounded with good-paying wells, and within a short time a single lease of 80 rods front, on the immediate opposite side of the river, sold for \$155,000 (one hundred and sixty-five thousand dollars.) On this lease a good well has been struck within a few days. In addition to the territory of the "Stewart" Farm, which is believed to be equally as good as the "Hoover," there are on it a three-story Grist Mill, with fine water-power, a good farm-house, and other buildings, hat will be of use to the company.

The durability of this immediate oil section is illustrated by the fact that some of the wells on the "Hoover" Farm have been pumping for over four years, with-TRUST COMPANY, OFFICE SENECA OIL COMPANY,
