The people of Tyler county are an intelligent, budy class, and more enterprising than any of the other counties I have visited. They have taken their own lands in hand, and do not invite the outside world with as much avidity as their more humble neighbors on the Little Kanawha. As an evidence of their confidence in their own enterprise, I know of one genileman now living near Listersville who refused fifty thousand dollars for a tract of land not more than eighty acres in extent. He was boring a well at the time, and the neighbors around him were also boring wells.
