The Duff and Reed Leases cover the best boring territory on Cherry Run.

No. 1

Is the PHILLIPF LEASE, on which is situated the Island Well, completed January 1, and flowed three hundred barrels of Oil while waiting for a new engine; it is now pumping from 25 to 55 barrels per day, and has every indication of becoming a flowing well, after a short pumping, when the engine is to be reversed to drill another well on this Lease, which will be in a direct line between the Reed and Baker Wells; the latter is on the Curtin property, and flowing at this time about 100 barrels per day.

The ROAD, or NEW PHILLIPS WELL, is also on this Lease. It has just been tubed, and commenced about March 10 to produce from 30 to 100 barrels per day, and is increasing. This is considered by good judges of about March 10 to produce from 30 to 100 barrels per day, and is increasing. This is considered by good judges of Cherry Eun Wells to be the best ever exhibited on this territory, promising to, rival the Read Well—all the wells on this lease being situated from one to six rods from the Reed and Baker. Wells

Is the SWENEY LEASE. A well was commenced on this Lease asout February 1. It will be passed wigorously to an early completion. Three wells are projected on this Lease, which is as between Cherry Run and four of the Curtin Company tots. No. 3
