Persons wishing to make a profitable investment are respectfully invited to call on Messrs ADAMS & LEVIS, who will give them further information, and will show them the Machines, now running and making nails. The advantages we claim for our Machines over any others in use, are:
That they produce a more perfect nail, with a better head, and fewer imperfect nails.
That they effect a saving of not less than fifty per cent, in the expense of grinding knives and dies.
And the Machines being self-feeding, they effect a saving of from fifty to sevenly-five per cent, in the labor of cutting nails.

OFFICE, 105 HOUTH FIFTH STREET, BRIOW
CHESTNUT.

A Company has been formed under the Mining Laws
of Pennsylvanis, of the above name, for the purpose of upplying Coal to its members at prime cost,
and you are hereby solicited to become a participant in
its befields.

The stock of the Commany has been divided into 25,
000, of which \$50,000 is set apart for working capital.
It is the intention of this Company to furnish each of
its stockholds as with one gross ton (2,260 pounds) of coal
annually, for each share of stock held by them during
the existence of this Company (which has been chartered for sixteen years) at cost, if the stockholder desires to reesive it.

Last whier z ton of coal of only 2000 pounds each at
your door \$12.00, while the mining and transporting of
a ton of 2240 pounds, cost only \$7.50; thus making the
emoments profit of fire dollars on a single ton of coal,
besides the difference in weight. Why pay the difference, when by becoming a member of the Bousekeepers' Coal tompany you will become directly connected
with the mining and delivery of your own Coal, there
by securing it grad, clean, cheap, and of full weight?

All these benefits are secured to you at once if you
join his Company. The charge is sufficient guarantee
that the objects of the Association will he fully verified.

The Company have procured its sufficient guarantee
that the objects of the Association will he fully verified.

The mine will now yield 40,000 ions of coal per year,
and can readily be made to double its present productian at a very small cost. The supply may be said to be
inexhancible, for, so far as the scalenor of this Company is concerned, it certainly is so.

The mine is in complete working order, with all the
machinery and personal property necessary and usual to
work a first-class collery.

The stock of this Company is not an infasted one, it,
being based upon a fair equivalent in property.

The investment will be a good one, as the Company
expect to realize at fictentp JOHF BACON, Office of the Company. THOS. WRIGGINS. S. E. Cor. Fifth and Chestnut sts. ROBT. R. CORSON. B. F. LEAKE, LEWIS THOMPSON.
