UNION VOLUNTEER REFRESHMENT

FOOT OF WASHINGTON AVENUE

Shall our brave soldiers be well entertained on their return? It is for the citizens of Philadelphia to decide.

It will be four years, on the ensuing 27th of May, since the Union Volunteer Befreshment Committee was organized, and if the Institution is closed on that day, the amount of cash on hand will no more than meet our obligations. The war is virtually ended, yet our Braves who have so nobly and valiantly defended our freatder and country are about to return to their homes. Shall we receive and refresh them and show by our hospitality and kindness that their great services are fully appreciated by the grateful citizens of Philadelphia and vicinity? The Committee will, with great pleasure, continue their voluntary duties, should the funds be furnished, and they hope this will be a final appeal.

Contributions handed our Committee, or either of the

following gentlemen, will reach us, and he properly

Every one who has a library should have a set of this edition of the great novelist on his shelves. Read the following notices from the press:

The most elegant edition of Dickens' works ever published. Ho English edition approaches it in heanty of form, typography, bindiag, and illustration,—Boston Transcript. Transcript.

This is unquestionably the best executed of all American editions of the writings of the great English novelist, sun we warmly commond it to all of our friends who may wanta uniform edition—Louisville Journals. To say that this is altogether the finest presentation of Dickens to the American public does not convey an adequate idea of the elegence of this edition, because all readers are not aware that Bickens happen very much abused by his American publishers.—Chicago

Of the illustrations by Darley and Gilbert, the names of those unrivalled artists are a sufficient guarantee.
